## **7. REPRESENTATIONS FROM RESPONSIBLE AUTHORITIES**

7.1 None have been received.

## **8. REPRESENTATIONS FROM OTHER PERSONS**

8.1 None have been received.

## **9. LICENSING ACT 2003 AND OTHER KEY GUIDANCE**

9.1 The Council must carry out its licensing functions with the intention of promoting the licensing objectives. The licensing objectives are:-

- a) the Prevention of Crime and Disorder;
- b) Public Safety;
- c) the Prevention of Public Nuisance; and
- d) the Protection of Children from Harm.

9.2 The Council must also have regard to the following:

## 9.2.1 South Ribble Borough Council's current Licensing Policy:

### **Prevention of Crime & Disorder**

10.1 *Licensed premises, especially those offering late night/early morning entertainment, alcohol and refreshment, can be a source of crime and disorder problems.*

10.2 *The licensing authority will expect operating schedules to satisfactorily address these issues from the design of the premises through to the daily operation of the business.*

10.4 *In addition to the requirements for the licensing authority to promote the licensing objectives, it also has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the borough.*

10.6 *Generally speaking, when considering the likely impact on crime and disorder of licence application, the licensing authority will give particular consideration to the following:-*

- a. the training given to staff in crime prevention measures;*
- b. the capability of the person in charge to ensure effective and responsible management of the premises;*
- c. physical security features e.g. where alcohol is stored,;*
- d. applicants should consider, wherever possible, the installation of a CCTV system which is operated in accordance with the Information Commissioners Office current codes of practice. If installed, applicants are encouraged to keep all recordable images for a minimum of 28 days in line with guidance received from Lancashire Constabulary;*
- e. weapon detection and search facilities;*
- f. procedures for risk assessing promotions and events such as "happy hours" for the potential to cause crime and disorder, and the plans to minimise such risks;*
- g. the adoption of best practice guidance in relation to safer clubbing;*
- h. measures to prevent the use or supply of illegal drugs including search and entry policies;*
- i. the employment of licensed door supervisors in appropriate circumstances – such supervisors to be registered with the Security Industry Authority;*
- j. where licensed door supervisors are employed such supervisors should be equipped with 'clickers' for checking the numbers entering the premises; also an appropriate number of supervisors should be so employed*
- k. participation in pub watch scheme or any other appropriate scheme;*
- l. measures to be taken for the prevention of violence or disorder;*
- m. any agreed protocols with the police and other organisations and a commitment to co-operate and provide such evidence as the police may require;*
- n. the presence – or otherwise – of sufficient transport facilities to ensure that customers can leave the premises safely and swiftly.*

#### **14. Protection of Children from Harm**

14.1 *The policy does not seek to prevent the access of children to licensed premises.*

*Access is at the discretion of the licensee and is neither encouraged nor discouraged by the policy. Conditions relating to access of children will only be imposed where they are necessary to promote the licensing objective of the “protection of children from harm.”*

14.2 *Premises that may require conditions relating to access by children may include the following:*

- *Where there have been convictions for under-age drinking or where there is evidence of under-age drinking;*
- *Where there is evidence of drug taking or drug dealing;*
- *Where a strong element of gambling takes place on the premises;*
- *Where entertainment of an ‘adult’ or ‘sexual’ nature takes place.*

14.3 *On occasions it may be necessary to impose a condition on a premises licence banning entry to those premises by children under the age of 18 years. Options other than a complete ban will include the following:*

- *Limiting the hours when children will be permitted in the premises;*
- *Stating a minimum age (below 18);*
- *Limiting or prohibiting access when certain activities are taking place;*
- *Permitting access only when accompanied by an adult;*
- *Limiting of access to certain parts of the premises when particular licensable activities are taking place;*
- *Provision of suitable signage;*
- *All premises selling/supplying alcohol are encouraged to operate a Challenge 21, Challenge 25 or similar Policy.*
- *Such other condition or restriction as may be necessary to achieve the licensing objectives. It shall be noted that there is no presumption in favour of adult entertainment unless specifically authorised.*

14.4 *A complete ban on children entering licensed premises is rarely likely to be necessary.*

14.5 *Nothing in this policy makes it a requirement that children must be admitted to any premises. Licensees are not to provide alcohol to children, except as provided by the Act. The licensing authority expects applicants to be able to demonstrate that they have in place satisfactory arrangements to prevent sales of alcohol to children. The licensing authority recommends that the following documents should be used as evidence of age:-*

- *Photographic Identity card bearing the PASS hologram*
- *Photocard driving licence issued in the European Union*

- *Passport*

14.6 *The licensing authority will expect the operating schedule to identify suitable measures to protect children from harm and must therefore demonstrate that those factors, which impact on harm to children, have been considered. In addition the licensing authority will expect the operating schedule to demonstrate what measures are in place to ensure adequate staff training on the licensing laws relating to children in licensed premises.*

14.7 *The licensing authority will also expect the licensee to demonstrate how they intend to provide for the supervision of children as customers and as performers providing regulated entertainment. Licence holders will be expected to demonstrate that consideration has been given to the welfare of children as performers. As a minimum requirement the licensing authority will require an adult to be nominated to be responsible for such child performers.*

### **Licence Reviews**

35.1 *At any stage following the grant of a premises licence, a responsible authority, such as the Police or Fire Authority, or another person, such as a resident living in the vicinity of the premises, may ask the licensing authority to review the licence. This must be due to a matter arising at the premises in connection with any of the four licensing objectives. In addition, a review of the licence will follow any action by the police to close down the premises for up to 24 hours.*

35.2 *In every case the representation must relate to particular premises for which a premises licence is in existence and must be relevant to the promotion of the licensing objectives. Representations must be in writing and may be amplified at the subsequent hearing or may stand in their own right. Additional representations which do not amount to an amplification of the original representation may not be made at the hearing.*

35.3 *Where the request originates with either a responsible authority or another person the licensing authority may reject any ground for review if such a ground is not relevant to one or more of the licensing objectives. Where the request originates from another person the licensing authority may reject any grounds for review if the licensing authority considers such ground to be frivolous, vexatious or repetitious.*

### **9.2.2 Secretary of State guidance (Section 182 of the Licensing Act 2003):**

The following passages and paragraphs of the statutory guidance issued by the Secretary of State are relevant to this application:

2.5 *...The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder...*

4.19 *...The Government considers it essential that police officers, fire officers or officers of the licensing authority can identify immediately the DPS so that any problems can be dealt with swiftly...*

Reviews arising in connection with crime

11.24 *A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises; money laundering by criminal gangs, the sale of contraband or stolen goods, the sale of firearms, or the sexual exploitation of children. Licensing authorities*

*do not have the power to judge the criminality or otherwise of any issue. This is a matter for the courts. The licensing authority's role when determining such a review is not therefore to establish the guilt or innocence of any individual but to ensure the promotion of the crime prevention objective.*

*11.25 Reviews are part of the regulatory process introduced by the 2003 Act and they are not part of criminal law and procedure. There is, therefore, no reason why representations giving rise to a review of a premises licence need be delayed pending the outcome of any criminal proceedings. Some reviews will arise after the conviction in the criminal courts of certain individuals, but not all. In any case, it is for the licensing authority to determine whether the problems associated with the alleged crimes are taking place on the premises and affecting the promotion of the licensing objectives. Where a review follows a conviction, it would also not be for the licensing authority to attempt to go beyond any finding by the courts, which should be treated as a matter of undisputed evidence before them.*

*11.26 Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives in the interests of the wider community and not those of the individual licence holder.*

*11.27 There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises:*

- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;*
- for the sale and distribution of illegal firearms;*
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;*
- for prostitution or the sale of unlawful pornography;*
- by organised groups of paedophiles to groom children;*
- as the base for the organisation of criminal activity, particularly by gangs;*
- for the organisation of racist activity or the promotion of racist attacks;*
- for knowingly employing a person who is unlawfully in the UK or who cannot lawfully be employed as a result of a condition on that person's leave to enter;*
- for unlawful gambling; and*
- for the sale or storage of smuggled tobacco and alcohol.*

*11.28 It is envisaged that licensing authorities, the police and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.*

## **10. POSSIBLE STEPS TO BE TAKEN**

10.1 Under Section 52 Licensing Act 2003 the Authority must have regard to the application and any relevant representations and take such steps ...(as are outlined below)... if any, as it considers necessary for the promotion of the licensing objectives.

The steps are:-

- a. to modify the conditions on the licence
- b. to exclude a licensable activity from the scope of the licence
- c. to remove the designated premises supervisor
- d. to suspend the licence for a period not exceeding 3 months
- e. to revoke the licence

and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

10.2 If the Panel takes a step mentioned in a or b of paragraph 10.1 above, it can specify that the modification or exclusion is to have effect for a period up to three months if it considers this to be appropriate.

10.3 The Panel may also choose to take no action, for example if the application is frivolous, vexatious or repetitive. The Panel must ensure that any action they take is proportionate to the four licensing objectives.

## **11. WIDER IMPLICATIONS AND BACKGROUND DOCUMENTATION**

### **11.1 Comments of the Statutory Finance Officer**

There are no financial implications arising as a result of the recommendations in this report

### **11.2 Comments of the Monitoring Officer**

The Licensing Authority is required to hold a hearing to consider the review application and any relevant representations made. The hearing must be held in accordance with the Licensing Act 2003 (Hearings) Regulations 2005.

The Licensing Panel is required to give appropriate weight to the review application, representations (including supporting information) presented by all the parties, the Guidance issued pursuant to section 182 of the Licensing Act 2003, the Council's statement of licensing policy and the steps (if any) that are appropriate to promote the four licensing objectives.

It should be noted that clear reasons must be given for the decision and any additional or modified conditions should be practical and enforceable.

In addition to determining the application in accordance with the legislation, Members must have regard to the rules of natural justice (i.e. ensuring a fair and unbiased hearing etc); provisions of the Human Rights Act 1998 and considerations in section 17 of the Crime and Disorder Act 1998.

In respect of provisions of The Human Rights Act 1998, the Panel should take in to account particularly articles 6 (relating to the right to a fair trial); article 8 (protection of private and family life); and article 1 of the First Protocol (protection of property).

The Panel, when exercising its powers, must consider section 17 of the Crime and Disorder Act 1998 which states:

‘without prejudice to any other obligation imposed on it, it shall be the duty of each authority to which this section applies to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.’

The applicant for the review, the premises licence holder and any person who made relevant representations would have the right of appeal to a magistrates’ court within 21 days from notification of the decision, on one of the grounds provided in schedule 5 to the Licensing Act 2003.

The decision made by the Panel will not take effect until the end of the period given for appealing against the decision or, if the decision is appealed against, until the appeal is disposed of.

The application for review is submitted by the Lancashire Constabulary on the grounds that the licensing objectives relating to crime and disorder and the protection of children from harm are not been promoted at this premise. There are also concerns about the poor management of the premise.

The circumstances are as follows:

On Tuesday, 22nd November 2016, Lee Carruthers and Daniel Alderson took over the lease of the premise from Punch Pub Company Ltd using their company PDA Public Houses Ltd. At this time, the premise licence holders remained as Punch Pub Company Ltd and Lee Carruthers became the DPS at the premise.

On Thursday 20<sup>th</sup> July 2017, PC Stewart left three messages for the premise licence holders Punch Taverns Ltd as there were no current area manager contact details held. The messages clearly highlighted the urgency as PC Stewart believed that the premise was being poorly managed and a review was necessary.

On Thursday 20<sup>th</sup> July 2017, the Police Licensing team visited to check the CCTV following the report that it had not been working the previous weekend. The staff at the premise stated that it hadn't been working for a month and that they had put in a request to Punch Taverns for it to be fixed. Despite being in breach of their premise licence conditions by not having the CCTV system fully operational the CCTV showed the premise open and selling alcohol until after 02:00 on the previous weekend. There were no incidents reported in the incident book for the previous weekend but they did recollect an ambulance attending to assist a female. On reviewing the incident book, Officers noted that the fight from the 24<sup>th</sup> June 2017 wasn't recorded neither. Lee turned up during the visit and Officers believed he was defensive but agreed that the door staff should be recording all incidents. Lee was advised that the premise CCTV should be fixed as soon as possible.

On Monday 24<sup>th</sup> July 2017, PC Stewart contacted Lee and asked for the area manager details as Punch Taverns had not returned three calls. Lee stated that he had nothing to do with the Railway and that Daniel was running the premise. He stated that Daniel had been away on holiday and had left his daughter Kelsey in charge. PC Stewart advised him to remove himself as DPS if this was the case. Lee then emailed the contact details for Tony Riley, Ops Manager.

A further conversation was had between PC Stewart and Lee during which PC Stewart informed him that she believed there was sufficient for a review of the premise licence as there had been a spike in incidents whilst he had been away in New Zealand. Lee stated that the pub was being handed back to Falcon Management in a fortnight as he was finding them difficult to work with. He stated that he had no lease so would be pulling out as soon as he could.

On 24<sup>th</sup> July 2017, PC Stewart then left messages for the Tony Riley to make contact and due to leave commitments left details with PS Ashcroft.

Tony Riley made contact with PC Stewart on the same date. He stated that he had given Lee 3 months to leave the premise following critical breaches and would be visiting the premise immediately. I advised for him to meet with PS Ashcroft to discuss the future of the premise.

Danny called later the same day stating that he would be leaving the premise in October. He informed PC Stewart that the CCTV camera had been fixed but the dispersal of customers at the end of the night was proving difficult. Danny offered to put additional door staff on duty to assist with the issues.

Later in the day Licensing Officer Bev Warburton spoke with Ben Barker from Protégé Security who believed he knew who the door man was that was involved in drugs at the premise. He stated that he would be monitoring the door over the weekend and speaking to the male involved.

On Tuesday 1<sup>st</sup> August 2017, PS Ashcroft attended a meeting with Tony Riley and Daniel Alderson who was proposing to be the DPS and was running the premise. The incidents were brought to their attention and Mr Riley expressed his concerns that he hadn't been contacted by the Police and tenants in April when the concerns had been raised. Daniel stated that the increase in incidents had been due to the staggered closing times agreement being lifted after the agreed time. Mr Riley requested an extension to this but was advised that it would have to be a variation and at this time the premise were showing continued poor management. PS Ashcroft agreed to remain in contact with Mr Riley and agreed that Daniel could be the DPS at both this premise and The Angel in Preston.

On Wednesday 2<sup>nd</sup> August 2017, Daniel Alderson became the DPS at the premise following a DPS variation application and Lee Carruthers stated that he no longer had anything to do with the business although Companies House checks reveal that he is still a Director for PDA Public Houses Ltd.

Log LC-20180106-0145 refers.

On 6th January 2018, Police received information that a named male had spiked drinks belonging to two female customers causing behaviour out of character for both.

The Police submit this review having exhausted all other ways of trying to ensure that the premise is being safely operated. The management of the premise is being neglected due to the amount of other premises in the holding company portfolio and short cuts are being made with insufficient, inadequately trained staff.

These inefficiencies are affecting the level of crime and disorder at the premise in particular at closing time on weekends. Of the 38 reported incidents, 37 take place on Friday, Saturday and Sundays and usually at the time of dispersal. The Police cannot allow further incidents to take place which would potentially result in more victims and therefore increase pressure on the health service.

In addition, the issue of underage customers is affecting the promotion of protection of children from harm objectives.

The Police seek this review requesting the Licensing committee make a decision on whether the premise licence should still be in existence at this venue.

attended and female unsure whether was a punch or not. I will attend and view CCTV and make enquiries with the staff about independent witnesses. female unsure about if she wants to progress the matter at this stage so mg11 not taken at moment I have viewed CCTV which clearly shows door staff ask her to leave on numerous occasions. she then puts her elbow into chest of the door staff. door staff puts open palms out and pushes the victim towards the door who then loses her footing so this would likely be where she obtained sore face. have advised the agg of this and she has said she wishes not to pursue this matter following this information.

Reporting Officer: 5107 Christopher Parr on 18/04/2017

Added By 5107 PC Christopher Parr on 18/04/2017: I have spoken with the victim at the front desk at Chorley. She had attended with her father. She has outlined the circumstances of the events and confirmed that she had consumed some alcohol and that the offender in relation to this incident appeared heavily intoxicated. She has stated that whilst she has been thinking about the incident she does not want to make a formal statement in relation to the incident and does not want to attend court in relation to this. She would like the male speaking to about his drunken behaviour and it to be reiterated to him that his behaviour was unacceptable. She states he was that intoxicated he probably didn't realise what he was doing. I have asked her to recontact Lancs if there are any further problems in relation to this male and that we would be attending his home address to speak to him. She clarified that she was not injured in any way by what happened she was just initially shaken by his drunken behaviour.

Details SPOKE WITH LEE CARRUTHERS RE INCREASE IN INCIDENTS AND ORGANISED MEETING FOR 24/4/17. DANNY ALDERSON THEN CALLED AFTER SPEAKING TO NEIL HEAD DOORMAN. BRIEFLY RAN THROUGH INCIDENTS AND HE STATED THAT HE INTENDED TO IMPROVE THE DISPERSAL POLICY STARTING FROM THIS WEEKEND AND HAVING A GRADUAL REDUCTION OF CUSTOMERS WITH DOORSTAFF IN HI VIS MONITORING THEM LEAVING FOR EXTRA TIME. WHILST PROVIDING A PRESENCE O/S THE P/H OFFICERS WERE APPROACHED BY THE AGGRIEVED AND A MEMBER OF STAFF FROM THE PUB. THE AGGRIEVED EXPLAINED WHAT HAD TAKEN PLACE INSIDE. HE CONFIRMED THAT HE HAD NOT SUSTAINED A VISIBLE INJURY AND THAT HE WAS NOT IN ANY PAIN. CCTV INSIDE THE PUB REVEALED

THAT THE MALE WAS WALKING PAST THE AGGRIEVED AND FOR NO REASON SLAPPED HIM TO THE BACK OF THE HIS HEAD. THE MALE WAS DETAINED AND INITIALLY ARRESTED ON SUSPICION OF THE ALLEGED ASSAULT. THE SUSPECT OFFENDER BECAME UNWELL. PARAMEDIC REQUESTED TO ATTEND THE SCENE AS THE MALE IS TYPE 1 DIABETIC. HIS BLOOD SUGARS WERE HIGH AND THE PARAMEDIC EXPLAINED THAT THIS IS POSSIBLY WHY HE ACTED THE WAY HE DID. THE AGGRIEVED BECAME VERY UNDERSTANDING. THEY BOTH SHOOK HANDS OUTSIDE THE PUB IN THE PRESENCE OF OFFICERS AND THE SUSPECT OFFENDER APOLOGISED FOR HIS ACTIONS. THIS MATTER IS NOT IN THE PUBLIC INTEREST TO PURSUE AS THE SUSPECT OFFENDER WAS CLEARLY UNWELL AND WAS HAVING A MEDICAL EPISODE. THERE IS NO VISIBLE INJURY TO THE AGGRIEVED. WE ATTENDED THE SCENE. ONCE ON THE SCENE WE COULD SEE THAT THE AGGREIVED WAS HIGHLY INTOXICATED AND AGGITATED. UPON SPEAKING TO AGGREIVED IT WAS VERY DIFFICULT TO ASCERTAIN A FULL RECOLECTION OF WHAT HAD OCCURED DURING THE INCIDENT. FOLLOWING THIS I TOOK THE AGGREIVED'S DETAILS AND THE SUSPECTS DETAILS. I AM CLOSING THIS DUE TO THE HIGH LEVEL OF INTOXICATION BY THE AGGREIVED AND DO NOT BELEIVE THAT WE RECEIVED A THOROUGH ACCOUNT OF THE EVENTS THAT TOOK PLACE DURING THE INCIDENT. TO SUPPORT THIS UPON SPEAKING TO THE DOOR STAFF AT THE ESTABLISHMENT WE ASCERTAINED THAT THE AGGREIVED HAD BEEN AGGRESSIVE THROUGHOUT THE NIGHT AND HAD BITEN THE DOOR STAFF UPON EJECTION HOWEVER THE DOOR STAFF DID NOT WANT TO PRESS CHARGES. UPON SPEAKING TO SUSPECT IT HAD BEEN ALLEGED THAT THE AGGREIVED HAD INSTIGATED THE INCIDENT INITIALLY BY PULLING SOMEONES HAIR.

Hello,

Railway LEYLAND log LC-20170624-0161 -

Arrived outside the premise at 2am to assist with kicking out, request from Leyland Sergeant.

Only myself and another special and it just kicked off. Was lots of people fighting, then the bouncer was fighting with a male, non would make a complaint. Back up seemed to take forever. Didn't see DPS. Ended up waiting for ambulance a male with deep cut down to the bone jumped over the wire at the back of Railway as he had been kicked out earlier that night and didn't want to leave through the front door, to avoid seeing bouncers. I nearly needed the ambulance for myself, wasn't a nice scene!!

Just in case the log comes over to the department you know a bit about it and I dealt with it etc.

They were also having a lock in staff and family members were inside drinking at 3am when I left.

See you soon!

Jen

I am PCSO 7574 COLL of Lancashire Constabulary, currently based at Preston Police Station. This is a statement of dealings I have had at the RAILWAY pub, 1 PRESTON ROAD, LEYLAND, PRESTON, LANCASHIRE PR25 4NT.

I have had many of dealings with the RAILWAY whilst being a Special Constable 9483. On the 24th JULY 2017 I Arrived at the RAILWAY to a groups of males fighting outside. All individuals had been kicked out of the pub onto the front, they were blocking the highway and there was no assistance from the door staff or staff from the Railway helping disperse them. There was groups fighting and the door staffs weren't helping, one was stood in the doorway and the tall one began to throw punches at a drunk male. Once all was under control and the door staff had shut the doors at 02:30, a male came over with his finger sliced in half. He explained he had been kicked out of the pub earlier for fighting and had climbed back over the fencing at the back to get back in. At the end of the night he didn't want to walk out pass the door staff so he climbed back over the mental fence and this caused his injury. As I was assisting the male with first aid whilst awaiting the ambulance arrival, I asked Kelci MAWDSLEY who works and lives at the Premise for their first aid box, as it would have more equipment then the one on my belt. Her reply was for me to "FUCK OFF". She wasn't on duty that night and had been drinking in the premise, once the premise had closed MAWDSLEY and some of her family were staying in for a lock in.

I went into the premise for a walk through for underage drinking, 3 females were found in the back outside of the pub. They had got in before 8pm as they knew the door staff were on from that time and wouldn't get in. When I did the walk through I spoke to the door staff before I went in and they said they had done a walkthrough of the pub at the start of their shift for anyone underage.

I have done many ASB shifts around LEYLAND on a FRIDAY night and this included sitting outside the railway as part of night safe from 2-3am. I have witnesses disorder, glasses left and smashed over the pavement, many walk out of the pub with bottles of wine. The door staffs don't assist with dispersal; they just get everyone out of the pub for 02:30 and shut the doors leaving people still blocking the highway.

I have attended the premise on licensing visits, on one of my first visits I attended and Lee was the DPS; Danny Alderson introduced himself to me as Lee. Other licensing visits I have done, the door staff book wasn't in order and it wasn't being signed off by the person in charge that night, they failed to record incidents and people being kicked out. A CCTV camera wasn't working, having attended to collect footage of an assault the camera covering the assault wasn't working. Whilst looking through the CCTV they had been serving alcohol after 2am on the weekends.

I fully support Licensing on taking this premise to a review.

Morning,

As per recent conversation, I have received info that the doorstaff at the Railway pub in Leyland are dealing drugs within the premises since it has changed hands. One member of staff described as being involved is a white male with a skinhead. He was also described as "bouncing" and sweating.

Please let me know if you require any further info?

Regards  
Melanie

 Details I ATTENDED A MEETING WITH THE AREA MANAGER TONY REILY AND PROPOSED NEW DPS DAN ALDERSON WE NUMBER OF INCIDENTS AT THE PREMISE OVER RECENT WEEKS/MONTHS. MR R SURPRISED AT THAT AND STATED HAD NOT BEN CONTACTED BY POLICE UNTIL THIS POINT. MR A STATED THAT A PREVIOUS AGREEMENT WITH PC STEWART, THAT A 'STAGGERED CLOSURE' FROM 0230 TO 0300 HAD BEEN REMOVED BY VISITING OFFICERS AND AS A RESULT INCIDENTS HAD INCREASED. HE SAID THIS OCCURRED 3-4 MONTHS AGO. WHEN CHALLENGED HE REVISED THE TIME TO 4-6 WEEKS. I WAS SURPRISED HE HAD NOT CALLED LANCON AS A RESULT TO CLARIFY CHANGE IN AGREEMENT BUT THAT AS A SHORTY TERM MEASURE THE STAGGERED METHOD COULD BE RESUMED ON A SHORT TERM BASIS FOR 3 MONTHS, (MR R HAD REQUESTED 6MTHS), WITH A VIEW TO IT ENDING THEN AS PROBLEMS WOULD HAVE BEEN RESOLVED BY APPROPRIATE DISPERSAL METHODS. MR R REFERRED TO THE POSSIBILITY OF THE INCIDENTS BEING LINKED TOT HE PUB BY WAY OF LANDMARK AS OPPOSE TO ACTUALLY BEING LINKED TO THE PUB. I CONCEDED SOME OF THESE MAY BE THE CASE

Hi

I had another look at it yesterday as I've not been around for a few weeks.

I was ready to go to review in July as the level of incidents was steadily rising after I had advised them of the poor management and poor dispersal in April however Punch got involved and we were assured that there would be improvements. Since then there have been 3 further assaults, one theft, one criminal damage, one drunk and disorderly arrest... mainly occurring at closing time. They clearly can't manage the premise and I cannot continue to warn them every 2 or 3 months and have more victims. So, yes a review will more than likely be submitted but it's likely to be the end of next week before it lands on your desk.

Give me a ring ( ) if you need anything further.

Julie

Hi Julie

Please can I run something by you? I was at our Licensing Committee last week when a councillor came up to me and said that he understood the police to have ongoing concerns about the Railway in Leyland. I understand that a review was contemplated at one time but does not seem to have progressed. Can I just check – are there any matters relating to the pub which trouble you at the minute from a Licensing perspective? The conversation with the councillor just made me think that something might be in the wind and if so it would be helpful to know that this was the case.

Thank you for any information you feel able to pass on

Many thanks

Andy

**Subject:** Re: Railway, Leyland

Simon / Julie

Yesterday I was speaking with Chris Ward from Licensing at SRBC who said he had been into the Railway on Friday night with friends.

Chris says there was a very strong smell of cannabis coming from the LHS of the premises near the bar (his friends also commented on this). He says there was no one over the age of 25 behind the bar and the place appeared to be more like a nightclub and the clientele left a lot to be desired (it was rough)!

4/5 doormen chatting at the front door.

Aggrieved spoken to at home address where he was wearing a brace on his left foot. He claims he has suffered a broken bone in his foot as a result of the assault. He stated that he had attended Chorley Hospital a couple of days after the incident where he was diagnosed with bruising and swelling to the face and also the broken bone in his foot. He attended the doctors a few days later and was informed he was suffering from concussion. CCTV has been viewed at The Railway pub

and this clearly shows the incident. Whilst it does not have sound and therefore whatever was said between the three cannot be heard the aggrieved is pushed by the first male and he retaliates by pushing him back. The offender falls to the floor out of camera shot but the aggrieved appears to then kick the offender whilst on the floor. Offender two then wrestles the aggrieved to the floor and whilst over the top of him punches him three times to the head causing temporary loss of consciousness before other members of the public intervene. MG11 obtained from the aggrieved and medical consent form signed. From viewing the CCTV it is difficult to say whether the broken bone to the left foot was as a result of the assault. The aggrieved appears to kick the first offender with his right foot. Enquiries to be made to identify offenders.
