

# Licensing Panel

Tuesday, 1st August, 2023, 6.00 pm

Shield Room, Civic Centre, West Paddock, Leyland PR25 1DH

## Agenda

### 1 Apologies for absence

### 2 Declarations of Interests

Members are requested to indicate at this stage in the proceedings any items on the agenda in which they intend to declare an interest. Members are reminded that if the interest is a Disclosable Pecuniary Interest (as defined in the Members' Code of Conduct) they must leave the room for the whole of that item. If the interest is not a Disclosable Pecuniary Interest, but is such that a member of the public could reasonably regard it as being so significant that it is likely that it would prejudice their judgment of the public interest (as explained in the Code of Conduct) then they may make representations, but then must leave the meeting for the remainder of the item.

# Agenda Item 3

## Determination of The Application Under Section 18 Of the Licensing Act 2003

16. Members are requested to consider the evidence and to determine whether or not the application should be granted with or without modifications or rejected.

17. Section 18 of the Licensing Act 2003 sets out the steps that can be taken, which are;

- To grant the licence subject to any conditions the Licensing Authority considers appropriate for the promotion of the Licensing Objectives.
- To exclude from the scope of the licence any licensable activities to which the application relates
- To refuse to specify a person in the licence as the designated premises supervisor;  
or
- To reject the application

18. A licensing authority must carry out its functions under the Act (licensing functions) with a view to promoting the licensing objectives. In carrying out its functions, a licensing authority must also have regard to;

- a) Its own statement policy published under section 5, and
- b) Any guidance issued by the Secretary of State under section 182.

18. Relevant Policy Considerations, are as follows;

*12.2 The licensing authority will consider attaching conditions to licences and permissions to prevent public nuisance. In considering all licence applications, the Licensing authority will consider the adequacy of measures proposed to deal with the potential for nuisance and disorder having regard to all of the circumstances of the application, and in particular consider the following: -*

*a. the type of activity, the number and type of customers likely to attend;*

*b. the levels of noise likely to be generated from the premises;*

*c. particular consideration to be given to the effect of the implementation of the smoking legislation on the four licensing objectives*

*d. the proposed hours of operation - there is no presumption that the local authority will allow external areas to be used by customers for the consumption of food or drink after 23.00 unless otherwise stated in the particular premises licensing conditions;*

*e. the levels of public transport accessibility for customers and the likely means of public or private transport that will be used;*

*f. means of access to the premises for customers;*

# Agenda Item 3

*g. Careful consideration will be given to the dispersal arrangements from premises including the impact of customers waiting around for transport such as taxis or buses or returning to private cars parked in the immediate vicinity. Any foreseeable nuisance in respect of the dispersal of patrons should be mitigated by an adequate and appropriate policy which is implemented and understood by all management and staff at the premises.*

*h. the cumulative impact of licensed premises;*

*h. frequency of the activity;*

*i. the steps the applicant has taken or proposes to prevent disturbance by patrons arriving at or leaving the premises;*

*j. the steps the applicant has taken or proposes to prevent queuing, or if queuing is inevitable, to divert queues away from neighbouring premises, or otherwise manage the queue to prevent disturbance or obstruction;*

*k. the arrangements the applicant has made or proposes to make for security lighting at the premises, and the steps the applicant has taken or proposes to take to ensure that lighting will not cause a nuisance to residents;*

*l. whether routes to and from the premises pass residential premises; m. whether the premises would result in increased refuse storage or disposal problems or additional litter in the vicinity of the premises*

*19.2 The policy will not set fixed trading hours within any designated area as this could lead to significant movements of people across boundaries at particular times seeking premises opening later, with the attendant concentration of disturbance and noise.*

*The licensing authority will generally deal with the issue of licensing hours having due regard to the individual merits of each application. However the policy recognises that stricter conditions with regard to noise control will be necessary in more densely populated residential areas – where any application will be judged on its merits.*

## 19. Relevant Paragraphs from The Section 182 Guidance

*7.2 Each responsible authority will be an expert in their respective field, and in some cases it is likely that a particular responsible authority will be the licensing authority's main source of advice in relation to a particular licensing objective. However, any responsible authority under the 2003 Act may make representations with regard to any of the licensing objectives if they have evidence to support such representations. Licensing authorities must therefore consider all relevant representations from responsible authorities carefully, even where the reason for a particular responsible authority's interest or expertise in the promotion of a particular objective may not be immediately apparent. However, it remains incumbent on all responsible authorities to ensure that their representations can withstand the scrutiny to which they would be subject at a hearing.*

*9.3 Where a representation concerning the licensing objectives is made by a responsible authority about a proposed operating schedule and it is relevant (see*

# Agenda Item 3

*paragraphs 9.4 to 9.10 below), the licensing authority's discretion will be engaged. It will also be engaged if another person makes relevant representations to the licensing authority, which are also not frivolous or vexatious (see paragraphs 9.4 to 9.10 below). Relevant representations can be made in opposition to, or in support of, an application and can be made by any individual, body or business that has grounds to do so.*

*9.4 A representation is "relevant" if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives..... There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.*

*9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.*

*9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate."*

Ref. application no. 006843 in the name of Lynn E Lancaster

on behalf on Leyland Warriors Rugby club

Dear sirs,

I wish to object in the strongest terms to the application for Leyland Warriors Rugby club to be allowed to run social events, live music events, licensed premises, recorded music inside and outside. We live very close to the warriors club house and changing facility.

Although im delighted to hear and see the children training and playing on a weekend i find the traffic, speeding parents on the last minute drop off, parking on match day where they often dont open the overflow car park which means the surrounding streets are crammed with cars parked on the foot paths and inconsiderate parking to be very worrying.

The thought of live music events and drinking on what is supposed to be an amateur rugby club and the problems i feel this will bring to a quiet residential street are simply to much to bear.

Our street also has a dementia nursing home on it, Sandy Banks, im sure the confused elderly residents wont appreciate the potential noise levels, increased traffic and possible drunken behaviour.

I would like to see this application stopped immediatley and the idea of such nonsense put

to bed.

Regards

a concerned resident and council tax payer

To Whom It May Concern,

Dear Sir,

Licence Application past Numbers..... 002803, 000079 and

Now 006843 July 2023 to which we are strongly objecting

We the undersigned do most strongly object to the granting of these licences to Leyland Warriors Rugby Club, Moss Side for the sale of alcohol and internal and external music .

As local residents in close proximity to the club, we strongly object to this recent licencing application. As local most of the local residents are elderly we are very concerned at the disruption this would cause of our peaceful community and environment, also it may encourage disruptive behaviour of members after consumption of alcohol passing through our estate. Objection is also raised to the level of music which will to be allowed, indoor and outdoor, close to residential properties at any time.

We as a community object to this application and as we have not been directly consulted on this application with the lack of concern for us as close residents we find this most inconsiderate, as you may be unaware other residents in Greenside Gardens who do not have internet access or are to infirm are not aware of applications of this type to the Council or the decisions that are made.

We hope you will have provisions to protect local residents if this goes ahead, and be aware of concerns for local residential safety.

Yours sincerely

To Whom it might concern

We have just come back off holiday and been informed by neighbours that the rugby club is applying for a licence to open a bar on various nights.

I would like to put in an objection to this as I think we should have been told about the application and exactly what

their intentions  
are. The area is  
used by local people  
for walks and there  
is a bridle way  
passing the club, also.  
there is a nursing  
home which is going  
to suffer from the  
noise and constant  
flow of traffic.

I have no  
objection to the  
club being granted  
a licence on odd  
nights when they  
are having an open  
day for the rugby  
players.

Yours sincerely
