

Dear Sir/Madam,

Hope you doing well.

Here is the best and the most easiest convenience shop for me as I do get my groceries every day before going to work as well as after work for snacks. Specially for best cold beer after work on Fridays with a little chat with the workers, who are really pleasing and well coming. School Lane really supports the local community with really good 100% fair deals in Groceries and alcohols. No Issues with parking spaces too. Love to shop with 42 SCHOOL LANE CONVENIENCE BAMBER BRIDGE, PR5 6QD

Kind Regards,
