Quarter Three Performance Monitoring Report 2023-2024

The Committee;

- Thanks the Leader and Director for their detailed report and answering the Committee's questions;
- Welcomes the report and performance of the Council during Quarter Three;
- Asks for further information to be provided on the Community Assets Framework;
- Looks forward to receiving more robust information on the digital skills training indicator, customer relationship management system project and the printing strategy;
- Encourages all members to attend a learning session on the partnership data dashboard arranged for Monday, 18 March 2024;
- Commends the work of the skills factory project;
- Asks that further reports include more detailed progress information on the council's major projects, such as the Leyland Town Deal and Jubilee Gardens, and also the number of people in temporary accommodation; and
- Welcomes the offer of more information being provided on the council tax and business rates collection rate indicator.
