Procedure of Debate at Planning Committee

Whenever a planning application is dealt with by Planning Committee the Council is keen to allow the local community to participate in the process. The procedure that will ordinarily be followed is that:-

- Up to five members of the public who wish to speak against an application will be allowed to speak. Each will have up to four minutes in which to state their case.
- Up to five members of the public who wish to speak in favour of an application will then be allowed to speak. Again each will have up to four minutes in which to state their case.
- Local councillors (not on Planning Committee) will then have the opportunity to make representations about the application – whether for or against.
- The applicant/agent will then be invited to speak in support of the application.
- The application will be then be discussed by Committee. At this point members of the public, the applicant and other councillors not on Committee will not be able to speak further.
- The Committee will then take a vote on the matter.
- No paperwork, plans or photographs will be allowed to be circulated by the applicant/agent or member of the public at the meeting.

The Chairman of Planning Committee has discretion to vary these rules when dealing with a particular application if he considers it appropriate. Whenever members of the public speak (whether in opposition to a proposal or in favour of it) they should avoid repeating the same points made by other speakers.

Filming/Recording Meetings

The Council will allow any member of the public to take photographs, film, audio-record and report on any Planning Committee meeting. If anyone is intending to record any such meeting (or part of such a meeting) then it would be very helpful if they could give prior notice of their intention to the Council's Democratic Services Team. Ideally 48 hours notice should be given.

When exercising the rights to record a Planning Committee meeting a member of the public must not in any way be disruptive to that meeting. They must not provide an oral commentary on the meeting whilst it is continuing. If disruption is caused then the Chairman of the meeting may exclude that person from the rest of the meeting.

Members of the public will not be entitled to stay in the meeting if any confidential (exempt) items of business are being discussed.

Full details of planning applications, associated documents including related consultation replies can be found on the Public Access for planning system, searching for the application using the Simple Search box. <http://publicaccess.southribble.gov.uk/online-applications/>
