

Decision making

The Leyland My Neighbourhood Forum has decided the priorities for their local communities. There are five My Neighbourhoods across the borough. The Leyland My Neighbourhood covers the following area:

Each My Neighbourhood Area has prepared a plan like this, which will be agreed and adopted by South Ribble Borough Council. This helps your local plan to get support and resources it needs to help you make things happen.

Information on your forum and on other council initiatives can be found online at: www.southribble.gov.uk

My Neighbourhood Plan 2012 - 2014 Leyland Area

Background

This plan is the responsibility of the Leyland My Neighbourhood Forum, and was set following extensive public consultation to find out what local projects people wanted.

Priorities

Only the first ten local priorities are listed here, and only these priorities can use resources from South Ribble Borough Council. In addition, the forum has a reserve list containing all the actions from the public consultations. Once an item is completed or the forum chooses to change it, it can be replaced by one off the 'reserve' list.

This plan contains a mix of projects of differing priority, long & short term delivery, high & low cost - and will allow continuous progress & delivery. It is a living plan that will be updated as progress is made.

Resources

The council is committed to supporting the Leyland My Neighbourhood Plan and the forum has access to the resources outlined below. People resources (Councillors, partners & officers) can be allocated to any project contained on this priority list or the reserve list, not shown here. The money resources (capital & core funds) can only be allocated to the ten projects in this plan:

People resources

- Councillors - represent and work with their local communities
- South Ribble Borough Council officers
- Partners from local agencies

Money resources

- My Neighbourhood forum 'core fund' - each forum has its own annual 'core' fund provided by the council which may be complemented by other funding and council resources. The initial core fund for Leyland is £8000.
- Where the Leyland My Neighbourhood plan aligns directly with the Council's Corporate Plan, capital funds, such as Section 106 Development Funding, may be available to help with these projects.
