

This plan has been created in consultation with residents, public services and community groups, to find out what local projects people wanted. A big part of bringing projects together is the input and involvement of the local community. The priorities contained in this plan were highlighted by local residents who want to make the areas in which they live better.

Ten local priorities are listed here; these are the only priorities which can use resources from the My Neighbourhood Forum. Once an item is completed or the forum chooses to change it, it can be replaced by another priority as agreed by Councillors.

The council is committed to delivering the My Neighbourhood Plan. Your forum is made up of councillors who represent the area, and is led by an annually elected Chair. She is supported by your local Community Involvement Officer, who works with communities and groups in your area to make things happen.

Your forum Chair is:

Cllr Jane Bell

Your local officer is:

Every My Neighbourhood forum has a 'core fund' provided by the council - each year, the Leyland area receives £8000 to spend on local initiatives. In addition, South Ribble Partnership has allocated £3000 to support the delivery of the Leyland My Neighbourhood Plan.

For bigger projects, where there are links to Council's Corporate Plan, capital funds, such as Section 106 funding from developments may be available.

This plan is a living document which changes regularly - we are always looking for new ideas and improvement projects. If you have any comments or queries, please don't hesitate to get in touch.

My Neighbourhood Forums - public meetings to show progress on our projects - are held up to four times a year in community venues. Come along & meet your local councillors, police officers, & find out what's going on in your area.

More information about the forum, when and where it meets, and its projects is available at www.southribble.gov.uk/myneighbourhood
