

SOUTH RIBBLE BOROUGH COUNCIL

PAY POLICY - 2017/18

1. Purpose of the Policy

- To maintain a transparent approach to the setting of the pay of the Council's employees.
- To comply with the requirements of the Localism Act, Section 38 – Pay Accountability.

The Policy will detail;-

- The methods by which salaries of all employees are determined
- The details of the remuneration of its senior employees, i.e. Chief Officers
- The relationship between the salary of its Chief Officers and other employees

2. Background

The Localism Act 2011 – [Chapter 8 - Pay Accountability] requires all local authorities to set out its position on a range of issues relating to the remuneration of its employees.

The Policy will reflect where appropriate, relevant aspects of other already existing Human Resources Policies, such as the Pay Policy – 2007.

The Policy must be approved by the Council in open forum, by the end of March each year and then be published on its website.

3. Legislation relevant to Pay and Remuneration

In determining the pay and remuneration of its employees the Council will comply with all relevant employment legislation. This includes the Equality Act 2010 and the Part-time Regulations 2008. The Council will ensure that there is no pay discrimination within its pay structures and that pay differentials can be quantified through the application of its Job Evaluation Scheme.

The Council operates the GLPC [Greater London Provincial Council] Scheme for all posts not defined as a Chief Officer. The posts of Chief Executive and Director, have been evaluated by utilising the external expertise of the North-West Employers Organisation, which includes comparative benchmarking data from other local authorities. The posts of Head of Service [Assurance Services and Human Resources] have been evaluated using the GLPC Scheme.

An Equality Impact Assessment has been undertaken for the Policy.

4. Pay Structure

The Council complies with the nationally negotiated spinal column points for all posts, with the exception being those senior level posts referred to within the Policy. The salary grades that the Council applies for all other posts are at Appendix A.

The salary increase for all posts within the Council is set nationally, through collective bargaining between the national Employers and Trade Unions.

The pay and grading structure for the majority of posts was established as part of the Pay Policy 2007. This Policy was approved by the Council in 2007 and addressed the Council's approach to the job evaluation of posts and the harmonisation of key terms and conditions of employment. Since 2007 all newly created posts and posts that have varied are subject to evaluation against the Job Evaluation Scheme.

On occasion, it maybe necessary to take account of external pay levels in the labour market in order to attract and retain employees with particular skills, knowledge and experience. On such occasions the Council will ensure the requirement for such is objectively justified by reference to clear and transparent evidence of relevant market comparators, using data sources available from within the local government sector and outside, as appropriate.

5. Pay Policy 2007

This policy supersedes the policy agreed in 2007. It is important however that key aspects of the original policy, that relate to employee benefits are retained within this policy. These are detailed at Appendix B.

6. Definitions

The Localism Act refers to the position of Chief Officer and states that this refers to: the Head of Paid Service; Statutory Chief Officers; non-statutory Chief Officer posts and their direct reports [Deputy Chief Officers]. It should be noted that this definition is very broad, and takes account of Metropolitan and County Councils as well as District Councils.

It is considered that the posts that the term Chief Officer applies to at South Ribble Borough Council, in relation to the Localism Act are; Chief Executive, Director [3 posts], Head of Shared Assurance Services and Head of Human Resources. These being; the actual post of Chief Executive and those posts that report to the post of Chief Executive.

Although other posts report to the above posts and could be defined as Chief Officers, they have a maximum salary of less than £50,000 and are below the threshold for disclosure under the Accounts and Audit requirements. These posts are therefore considered not to be defined as Chief Officers. The post of Head of Shared Financial Services is excluded, as it is a post employed by Chorley BC and is covered by its Pay Policy.

The Policy only applies to employees/posts within the Council and it does not apply to Elected Members.

Remuneration is defined as the pay and rewards an individual receives.

This was the introduction of a Supplement to Lower-graded posts. Therefore with effect from 1 April 2014 onwards, employees paid below the Foundation Living Wage, will receive a supplement to their salary to bring them up to the Foundation Living Wage.
