APPLICATION FOR AN EXEMPTION TO DISPLAY A PRIVATE HIRE VEHICLE LICENCE PLATE	REGENERATION & LEISURE	Wajed Iqbal	

SUMMARY AND LINK TO CORPORATE PRIORITIES

A report on an application to apply an exemption to display licence plates on a private hire vehicle.

RECOMMENDATIONS

The Committee is requested to determine whether to apply an exemption to the requirement to display a private hire vehicle licence plate and associated markings on the exterior of the vehicle.

DETAILS AND REASONING

This matter was deferred from the meeting of General Licensing Committee on 14 April 2015.

An application for an exemption to display the Private Hire vehicle licence plate and other markings has been received from Mr Frank Smith of 7 Meadow Drive, Houghton Preston, PR5 0AP (Date of Birth: 22/07/1953), relating to a BMW 520d SE, registration LG11 YHJ; first registered 07/03/2011.

Mr Smith intends to use the vehicle for executive account work only and has provided a letter (Appendix 1) further explaining his intentions and reasons.

The Licensing Unit have inspected the vehicle and believe it to be of an exceptional standard. Mr Smith has been advised to make the vehicle available for inspection by the Committee at the time of the hearing.

Section 48(5) of the Local Government (Miscellaneous Provisions) Act 1976 requires the Council to issue a licence plate; the exhibition of the plate is dealt with by Condition 6 of South Ribble Borough Council's Private Hire Vehicle Conditions.

Under section 75(3) of the Local Government (Miscellaneous Provisions) Act 1976, the Council can waive the requirement to display the licence plate, other markings and the driver's badge, by issuing a notice which can be carried effectively in lieu of the licence plate being displayed. This is common practice in relation to vehicles used for chauffeur driven/executive hire as opposed to regular Private Hire bookings.

The Council has formally considered such requests before and, in appropriate circumstances, has given approval where it was felt that either the vehicle and/or type of use warranted a notice under Section 75(3).

The Committee are requested to consider the application in light of the above.

WIDER IMPLICATIONS
