

REPORT TO	DATE OF MEETING
Governance Committee	25 th June 2014

Report template revised June 2008

SUBJECT	PORTFOLIO	AUTHOR	ITEM
Compliance with International Auditing Standards	N/A	G Barclay & D Highton	8

SUMMARY AND LINK TO CORPORATE PRIORITIES

The purpose of this report is to enable the Governance Committee as ‘those charged with governance’ and the Chief Executive on behalf on ‘management’ to provide a range of assurances being sought by the external auditors – Grant Thornton as part of their audit of the Council’s 2013/14 accounts. The specific assurances being sought by Grant Thornton are set out in the letters appended to this report.

The report links with all of the corporate priorities, in particular to be an ‘efficient, effective and exceptional Council’.

RECOMMENDATIONS

That, subject to consideration by the Committee, the Chairman of the Governance Committee and the Chief Executive be enabled to sign the assurance letters requested by Grant Thornton.

DETAILS AND REASONING

Recently Grant Thornton wrote to the Chief Executive (Appendix A) and the Chair of the Governance Committee (Appendix B) requesting information to assist with their audit of the Council’s 2013/14 financial statements. Given that the assurances requested would need to rely on very similar evidence to that being gathered by Internal Audit to compile the Annual Governance Statement (AGS), and in the interests of transparency, it was agreed with Grant Thornton that responses to their letters would be provided following consideration at this meeting.

Similar requests for assurance were made in respect of the 2012/13 financial statements and therefore the information provided in this year’s responses is in effect an update of the information which was supplied last year.

Having reviewed the specific information being sought, Internal Audit is satisfied that the Council’s arrangements are such that positive assurances can be given in response to Grant Thornton.

Principally, this conclusion is arrived at through the:

- comprehensive assurance and evidence gathered in compiling the AGS;
- ongoing work of the Governance Committee and Internal Audit scrutinising and challenging the Council’s arrangements;
- work of the Chief Financial Officer and the financial arrangements and controls including financial regulations, that have been adopted; and
- work of the Monitoring Officer supported by the Legal Services team.

Further detailed information to support Internal Audit's review and conclusions can be found in the tables at Appendices C and D.
