Representation: To Prevent Public Nuisance.

Mr & Mrs Scott 14, West Croft, Much Hoole, Preston.  
PR4 4QP

We are in close proximity to the existing Hall, which is in a predominately residential area, and have on occasions experienced noise both during the day and night with car doors banging and noise emitting from the hall, especially in the summer months.

We understand that the reason for the application is that when a function requires the licensing hours to be extended from 11pm until midnight, a separate application has to be made each time, which attracts extra cost to the management of the hall, we understand this, but the application would allow the extended hours each night, therefore there is nothing to stop the hall serving alcohol on each of the days without a function being held.

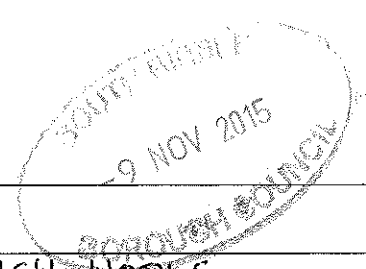

We have been told by the trustees that the alcohol serving will only extend to midnight if there is a function e.g. birthday party, taking place, and the situation will be monitored.

Could we ask that a condition be attached to the licence stating that the extended hours can only be used when a function is being held in the hall, and not any other night, thereby reducing possible public nuisance.

Mr & Mrs Scott
