

Recommendation	Lead Partner	Financial	Outcomes/Benefits	Progress as at July 2014
<p>1. Further consideration be given to the Council and whole of South Ribble becoming a World Health Organisation Healthy Borough.</p>	<p>South Ribble Borough Council (partnership approach through Health & Wellbeing Partnership) Councillor Phil Smith / Mark Gaffney</p>	<p>None</p>	<ul style="list-style-type: none"> ▶ Raises the profile of health and wellbeing. ▶ Potential for leveraging in external funding. ▶ Galvanises partnership working. ▶ Provides learning, resources and materials to encourage health and wellbeing. ▶ Targets resources to meet local community needs. ▶ Our neighbouring partner council Chorley have found the status and support beneficial. ▶ The status would help draw in expert research and input into health issues in South Ribble not currently available. 	<ul style="list-style-type: none"> ▶ Further consideration is to be given to this by the Cabinet Member.
<p>2. The Council and its partner organisations develop health impact assessments as part of their decision-making processes, policy development and project management frameworks.</p>	<p>Chorley and South Ribble Health & Wellbeing Partnership Councillor Phil Smith / Mark Gaffney</p>	<p>None</p>	<ul style="list-style-type: none"> ▶ Ensures that health impact is embedded into the work of partner organisations so that any adverse impacts can be mitigated. ▶ Health is considered early on and designed into processes and credit can be given and best practice shared. 	<ul style="list-style-type: none"> ▶ Lancashire Public Health is currently commissioning a significant piece of work to review all Health Impact Assessments (HIA) in relation to the City Deal to produce an overall strategic HIA. ▶ In addition it is intended to provide HIAs for the scheme master plans for Penwortham and Lostock Hall, Bamber Bridge and Leyland / Cuerden.

<p>3. Each major planning application submitted to the Council should include a health impact assessment.</p>	<p>South Ribble Borough Council Councillor Cliff Hughes / Denise Johnson</p>	<p>None</p>	<ul style="list-style-type: none"> ▶ This will ensure developers and applicants consider health inequalities as part of their development, their location and fits in with the Local Development Framework. ▶ A light touch approach for residential/delegated applications similar to community safety and other assessments is recommended. ▶ Developers will be expected to design and deliver a health impact assessment on major applications, reducing the resource requirements on the Council. ▶ Ensures partner considerations are taken into consideration. 	<ul style="list-style-type: none"> ▶ HIA has been undertaken for the Central Lancashire Core Strategy and the Site Allocations DPD. The Core Strategy includes a Performance Indicator requiring a HIA for strategic sites and locations i.e. Pickerings Farm, Cuerden Strategic Site, Samlesbury Enterprise Zone. ▶ In respect of other major developments, a HIA can be required proportionate to the scale of the development proposed and its likely impact on health and wellbeing.
<p>4. Public health is placed on the agenda of each 'My Neighbourhood' forum, included in 'My Neighbourhood' plans and that each forum appoints a lead member for health.</p>	<p>South Ribble Borough Council – My Neighbourhood Chairs Councillors Bell / Coulton / Gardner / Marsh / Walton / Denise Johnson</p>	<p>None</p>	<ul style="list-style-type: none"> ▶ This allows local health issues to be identified and inequalities to be tackled at a local level and joint community action can be planned and delivered. ▶ Engages local communities and residents in improving the health and wellbeing of their communities. ▶ Gives opportunities to councillors to champion health in their communities. 	<ul style="list-style-type: none"> ▶ Through the My Neighbourhood approach, Forum Chairs share Scrutiny Committee's commitment to reducing health inequality across the borough. ▶ It is felt important to consider wider determinants of health and all-round wellbeing as contributing to health outcomes. ▶ Going forward, health impact will be considered as part of the scoring matrix which is applied to projects on Neighbourhood Plans.

Item 8

				<ul style="list-style-type: none"> ▶ To renew the message around the importance of reducing health inequalities and ensure ownership is taken by all members, health will be an agenda item on the next round of planning meetings. ▶ Projects plans will be used to monitor health impacts, although it is recognised that measuring specific outcomes may not always be possible. 	
5.	<p>Lancashire County Council's Children's Trust in South Ribble is asked to organise a comprehensive programme of activities and events for young people specifically during holiday periods which also involve families.</p>	<p>Lancashire County Council's Children's Trust in South Ribble</p> <p>Councillor Noblett / Andrea Smith</p>	<p>Yes – to be assessed (possibly use of reported underspend)</p>	<ul style="list-style-type: none"> ▶ To give positive activities for young people. ▶ Keeps young people fit and healthy, encouraging them to lead healthy lifestyles. ▶ Help provide young people with key skills for the future. ▶ Allows families to consider healthy lifestyles and receive positive messages and support. 	<ul style="list-style-type: none"> ▶ Completed.
6.	<p>The Council encourages more councillors to take part in the North West Employers' Health Champion training.</p>	<p>South Ribble Borough Council – Member Development Champions</p> <p>Councillors Bell and Hothersall</p>	<p>None.</p>	<ul style="list-style-type: none"> ▶ Equips councillors with the skills to work with their communities to encourage health and wellbeing. ▶ Provides councillors with the skills to work with health and other partners to champion health affecting their residents. ▶ Helps to look at the health 	<ul style="list-style-type: none"> ▶ The Council has been successful in encouraging North West Employers' Organisation and LCC Public Health to provide the free two-day courses more locally. ▶ A course for Members from South Ribble, Chorley and Preston councils has been arranged for 17 & 18 September 2014 at the Civic

			<p>issues in local areas so that local interventions and work can be done.</p> <ul style="list-style-type: none"> ▶ Gives councillors confidence to engage on health issues as part of the My Neighbourhood forums and action plans. 	<p>Centre.</p> <ul style="list-style-type: none"> ▶ All Members of the Council are encouraged to attend.
7.	<p>The Chorley & South Ribble Health and Wellbeing Partnership develops actions to ensure the effective co-ordination and information sharing across partners to help plan prevention strategies and provide appropriate care packages.</p>	<p>Chorley & South Ribble Health and Wellbeing Partnership</p> <p>Councillor Phil Smith / Mark Gaffney</p>	<p>None.</p> <ul style="list-style-type: none"> ▶ Strengthens existing partnership work to tackle health inequalities. ▶ Roles and responsibilities of health partners under the new health reform structures are understood and used to improve health and wellbeing. ▶ Buy-in to delivering the Health and Wellbeing Action Plan. ▶ Achievement of Action Plan aims and objectives. 	<ul style="list-style-type: none"> ▶ This has been undertaken by South Ribble Borough through the Chorley and South Ribble Health and Wellbeing Partnership. The Partnership's Framework identifies priorities and actions. The Council is using this Framework to influence and support partners in developing information protocols and care packages. An early success has been the Winter Warmth project funded by Public Health Lancashire. The Project has brought over £40,000 into South Ribble to assist vulnerable people to keep warm in their homes.
8.	<p>Lancashire County Council's three-tier forum is asked to carry out a review of road deaths and casualties in South Ribble.</p>	<p>Lancashire County Council – Three Tier Forum</p> <p>Councillor Mullineaux / Sarah Palmer</p>	<p>None.</p> <ul style="list-style-type: none"> ▶ Further research is carried out to understand the figures and causes of the significant figures in South Ribble. ▶ Appropriate action can be taken to reduce road deaths and casualties. 	<ul style="list-style-type: none"> ▶ The Three Tier Forum has considered this item and it has been agreed to carry out a joint scrutiny review with Lancashire County and South Ribble Borough scrutiny committees during 2014/2015.
