Dear Denise

The purpose of my letter is to provide feedback with regard to the Section 11 Challenge Event that took place on 11th July 2016.

Overall, I thought the Challenge Event was positive and productive. It provided a good opportunity to discuss the action plans for South Ribble Borough Council. It was good to see the progress made with regard to the safeguarding of children and young people within the borough and identified good practice, for example, the Safeguarding Champion Meetings.

Furthermore, I was pleased to note the robust action plans in place for the two ambers identified and look forward to hearing how this is progressed.

Kind regards
