## **Cabinet 16 December 2020 – Questions by the Public**

**Questions to Councillor M Tomlinson submitted by Mr Bernard Darbyshire, Penwortham (full address supplied)**

### **Agenda Item 10 - Worden Hall Project**

Question 1.

PARA 6 of the Worden Project states that you and the CEO will decide which contractor will be authorized to undertake the Worden Hall Project works (Subject to Cabinet approval).

The contract will be awarded to the highest scoring contractor in the terms of social value, quality of submission, timeframe for implementation and price.

I can understand how you can quantify awarding a contract using points 2,3 & 4 but point 1, social values are a personal, family, group, geographical and more diversive a political decision.

So Councillor do you agree with me that the Social Value criteria should be removed from the bidding process, if not why.

Question 2.

If you proceed with the proposed bidding process what will the percentage weightings be allocated to each of the four proposals.
