**69 Mayors Announcements**

The Mayor gave an update on recent engagements she had undertaken between December and January.

Many engagements had been held virtually due to the COVID-19 pandemic, including the Christmas Banquet and 'Story Time with the Mayor'.

The Mayor acknowledged that being virtual had allowed her to reach a wider demographic, with her posts reaching up to 31,000 people on Facebook.

As the meeting coincided with Holocaust Memorial Day, the Mayor led members and officers in a moment of stillness.

The Mayor then announced that the Deputy Mayor, Councillor David Howarth, would be taking the chair for the remainder of the meeting so that the advice of officers in the Civic Centre could be fully utilised whilst she attended the meeting remotely.

### **73 Urgent Decisions Taken Due to COVID-19 Pandemic**

Members received a report of the Shared Services Lead – Democratic, Scrutiny and Electoral Services which informed of decisions taken using urgency powers as a result of the COVID-19 pandemic.

Decisions relating primarily to the pandemic, including additional devices for schools and support for businesses ineligible for grants, were taken using the urgent decision procedure in accordance with section 35 of the Council's constitution, which permits decisions to be made by the Chief Executive in consultation with the Leader or relevant Cabinet Member.

The Chair of the Scrutiny Committee was also consulted within the process and members were notified of decisions taken through a weekly update email.

The Leader of the Conservative Group expressed support on behalf of her group for the additional devices scheme.

RESOLVED: (Unanimously)

That the report be noted.

### **74 External Audit Finding Report - Written Recommendations**

Council received a report of the Director of Governance which informed members of the written recommendations made by External Audit in their Audit Findings Report and proposed actions and improvements to address the issues raised.

The Leader of the Council explained that the Labour administration and officers had taken great strides to improve the corporate governance of the Council and that, as a result, the Council was now operating within all of its financial controls; that service performance had improved; and that a permanent Section 151 Officer had been appointed.

A commitment to a culture of compliance and transparency was provided and the need to learn from past experiences acknowledged.

The Leader of the Opposition and the Conservative Group, Councillor Margaret Smith, felt it worthwhile to note that both the Annual Governance Statements for 2018/19 and 2019/20 had received Section 24 Notices but acknowledged the difficulties experienced during these years.

Support for any actions necessary to improve the issues raised was expressed by Councillor Mrs Smith.

In response to a query from Councillor Stephen Thurlbourn regarding the proposed performance scrutiny action, it was agreed that the Scrutiny Committee would be able to undertake in-depth reviews of the Council's departments to monitor performance. The Chair of the Scrutiny Committee advised that this would need to be formally submitted to the Scrutiny Committee's work programme.

Councillor Alan Ogilvie requested an update on actions relating to the review of accounting policies and the authorisation of invoices and purchase orders, which were subject to the ability of third-party supports systems supporting these modifications.

In response, the Monitoring Officer advised that discussions were ongoing with software providers to ensure the prompt delivery of these actions and that the introduction of compensatory controls was being considered. It was anticipated that these actions would be delivered in line with the Council's Digital Strategy. An update to the Governance Committee was expected in March 2021.

It was proposed by the Leader of the Council, Councillor Paul Foster, seconded by Deputy Leader Councillor Mick Titherington and subsequently

RESOLVED: (Unanimously)

3. the proposed actions at paragraphs 18, 24 and 31 in the report are approved for implementation; and
4. Council affirms their commitment to continuous improvement.

## **75 Review of Cabinet Portfolios**

Council received a report of the Director of Governance which presented the outcome of the review of Cabinet portfolios by the Leader of the Council and proposals to amend the Member Allowance Scheme accordingly.

The Leader, Councillor Paul Foster, paid tribute to Councillor Sue Jones who was stepping down from her role as Cabinet Member for Environment.

Other members echoed these sentiments and expressed their gratitude to Councillor Jones for all her work, particularly around projects on Worden Park and with the Friends of Walton Park.

The report also introduced Lead Members for Youth and Mental Health Awareness; Social Equality and Justice; and Climate Change, who would support Cabinet Members in their work. Councillors Matthew Trafford, Jacky Alty and Keith Martin were nominated to these roles, respectively, with Councillor Harry Hancock nominated as Member Champion for Volunteering and Friends Groups.

Terms of Reference for Lead Members would be presented to Cabinet in the coming months.

It was proposed by Councillor Paul Foster, seconded by Deputy Leader Councillor Mick Titherington, and subsequently

RESOLVED: (Unanimously)

That

1. the Cabinet portfolio, Lead Member and Member Champion responsibilities put forward by the Leader of the Council be noted; and
2. the Council's Member Allowance Scheme be amended to allow for a special responsibility allowance of £1,500 to be paid to Lead Members, subject to approval by the Independent Member Remuneration Panel currently being convened.

## **76 Changes to Committee Membership**

Council received a report of the Director of Governance which outlined minor changes to the membership of various committees until the Annual Meeting in May 2021.

It was proposed by the Leader of the Council, Councillor Paul Foster, seconded by Deputy Leader Councillor Mick Titherington, that Councillor Chris Lomax replace Councillor Mick Higgins on the Planning Committee, that Councillor Sue Jones replace Councillor Chris Lomax on the Scrutiny Committee and that the vacant Labour Group seat on the Standards Committee be filled by Councillor Sue Jones.

An amendment to the motion was moved by Councillor Caleb Tomlinson, seconded by Councillor Ange Turner, to remove Councillor Barrie Yates from the Planning Committee following allegations of unacceptable conduct and harassment of other committee members.

Councillor Paul Wharton-Hardman proposed an additional amendment to the substantive motion, seconded by the Leader Councillor Paul Foster, to remove himself from the Appeals Committee following his resignation from the Conservative Group.

There was substantial debate between members regarding the removal of Councillor Barrie Yates from the Planning Committee.

Many members condemned the alleged behavior but the Leader of the Conservative Group, Councillor Mrs Margaret Smith, felt that approving Councillor Yates' expulsion from the committee would be premature and should be subject to the outcome of the ongoing Standards Committee investigation.

Votes were taken on each proposal individually and were recorded as follows:

RESOLVED: (Unanimously)

That

1. Councillor Chris Lomax replace Councillor Mick Higgins on the Planning Committee;

2. Councillor Sue Jones replace Councillor Chris Lomax on the Scrutiny Committee;
3. Councillor Sue Jones be appointed to the vacant seat on the Standards Committee; and
4. Councillor Paul Wharton-Hardman be removed from the Appeals Committee, with a replacement from the Conservative Group nominated at the next Council meeting.

On the amendment to remove Councillor Barrie Yates from the Planning Committee the vote was recorded as follows:

**AGAINST:** Councillors Bretherton, Campbell, Chisholm, Clark, Coulton, Mary Green, Michael Green, Hesketh, Hughes, Marsh, Moon, Mort, Mullineaux, Ogilvie, Rainsbury, Margaret Smith, Phil Smith, Thurlbourn, Walton, Watson and Yates.

In doing so, this Council supports South Ribble resident Rachael Lidgett’s campaign to mark [March 23rd](#) as a day of national remembrance of those who have lost their lives to Covid 19. 2. the Council commits to providing publicity to the petition through its communication outlets.

## 82 Questions to the Leader of the Council

Councillor Ange Turner asked the Leader if he would consult with South Ribble's representative on Lancashire County Council's Health Scrutiny Committee to ascertain whether effective scrutiny was being undertaken and if it was common practice for a member of an authority's administration to hold the roles of Chair and Vice Chair of a Scrutiny Committee, as is practiced at Lancashire County Council.

In response, the Leader acknowledged that this was a highly unusual practice. He also committed to holding discussions with South Ribble's representative on the LCC Health Scrutiny Committee, the Leader of the County Council and the Chair and Vice Chair of the Health Scrutiny Committee to strongly oppose the decision to redistribute 33% of Lancashire's COVID-19 vaccines to areas in the South of England.

In response to a query from Councillor Paul Wharton-Hardman regarding whether the Leader would consider amending the Council's Volunteering Policy to allow members of staff to 5 days for volunteer work per year, as opposed to the three days already permitted, it was acknowledged that many staff members were currently involved in volunteering projects and that he would discuss the possibility further with the Chief Executive.

A member of the public, Mr Derbyshire, submitted a written question as follows:

"For obvious reasons it is common and good practice to award the chair of Scrutiny to a member of the opposition. You seem to have gone against that good practice and awarded that position to your subs bench leader Councillor Howarth. It may be OK for the Lib Dem councillors and their leader to sell their souls for "mess of Green Bins" etc. but this is not good for the ratepayers who expect the opposition to be scrutinizer of your business.

My Question is as follows:-

Will you replace the head of scrutiny with a true member of the opposition?"

Councillor Foster responded by explaining that the current Chair of the Scrutiny Committee was the Leader of the Liberal Democrat Group and, therefore, a member of the opposition. It was for this reason that he declined to consider appointing a new Chair.

## **83 Questions to Members of the Cabinet**

### Questions to the Cabinet Member (Finance, Property and Assets)

Councillor Harry Hancock asked the Cabinet Member how the multi-use games area at Penwortham Priory Academy, which had been paid for through contributions from Penwortham Town Council and Section 106 monies, would become the property of the school.

In response, the Cabinet Member acknowledged a complicated backstory and suggested that the Scrutiny Committee would be best placed to undertake a review into this project.

Councillor Alan Ogilvie queried why Purcell Consultants had not been retained to work on the Worden Hall project, following the recent appointment of GCS Quantity

Surveyors. The Cabinet Member explained in response that there had been some concerns with the cost of retaining Purcell and that GCS had experience with similar-value contracts.

Councillor Ogilvie requested three examples of such contracts held by GCS, which the Cabinet Member committed to providing outside of the meeting.

A question was submitted by a member of the public, Mr Derbyshire, as follows:

“Councillor Tomlinson,

This statement was read out not by Margaret Thatcher but Sir Keir Starmer commenting on the governments awarding of contracts and I quote.

*“This is not the Prime Minister’s money, its taxpayers’ money. The PM may well not know the value of the pound in his pocket, but the people who send us here do, and they expect us to spend it wisely,”*

Councillor Tomlinson when I send my rates money to SRBC I expect it, as Sir Keir Starmer stated, to be spent wisely, and the process of that spend to be fully visible to the ratepayer.

I consider the awarding contracts “behind closed doors” to be an affront to the ratepayer.

It may be considered magnanimous of you to award contracts to local businesses but I consider that does not satisfy the economic necessities of good transparent business practice.

Another issue that may arise is the problem of perceived corruption. I am not accusing you of corruption but this method of awarding building contracts leaves you open to accusations that you may be.

My Questions are as follows:-

1. Will you cancel the awarded contract and put out the scheme to tender?
2. If you won’t cancel the project will you publish to the ratepayers its cost?”

In response, the Cabinet Member confirmed that the fees associated with appointing GCS were appropriate but that the actual amount could not be disclosed at the current time.

#### Questions to the Cabinet Member (Communities, Social Justice and Wealth Building)

A member of the public, Mr Derbyshire, submitted a question to the Cabinet Member as follows:

“Councillor Gelder

I live in Penwortham and I am a little confused where I address my council issues.

Do I contact Penwortham Hub, Penwortham Town Council, South Ribble Council, Lancashire CC or my MP? (At least I lost my MEP).

I am a true believer in devolved democracy but even I believe this level of representation is going too far.

My Questions are as follows:-

1. Do you agree with me that this multiple level of democracy is taking thing too far?
2. If not will you provided a detailed list of which committee etc. I contact if I wish to solve a problem I consider is a council issue. i.e. who cuts the grass etc.”

In her response, the Cabinet Member confirmed her position that it would be difficult to have too much democracy. Clarification was provided on which authorities were responsible for what.

The Cabinet Member further advised Mr Derbyshire and all South Ribble residents to contact the South Ribble Gateway with any questions in relation to services provided by all local government authorities in South Ribble. It was also reiterated that the Department for Work and Pensions, Citizens Advice Bureau and the Gateway all operate from the Civic Centre to support residents through the ‘One Front Door approach’.

#### Questions to the Cabinet Member (Planning, Regeneration and Business Support)

Councillor Alan Ogilvie asked, on behalf of a resident, if the Cabinet Member would respond to an email query sent by the resident regarding the full costs of the public inquiry into the Wainhomes application at Chain House Lane, Whitestake.

The Cabinet Member responded to Councillor Ogilvie by clarifying that he had not received any correspondence from the resident since late last year. The query had been forwarded onto officers, who the Cabinet Member understood had provided the resident with the information they required, but he would ask officers to resend this information.

#### **84 Questions to Chairs of Committees and My Neighbourhood Hubs**

This item was withdrawn from the agenda and was initially published in error.

#### **85 Questions to Member Champions and Representatives on Outside Bodies**

This item was withdrawn from the agenda and was initially published in error.

#### **86 Exclusion of the Press and Public**

RESOLVED (Unanimously):

That the press and public be excluded from the meeting during the consideration of the following item of business as it involved the discussion of information defined as exempt from publication under paragraph 3 of Part 1 of Schedule 12A of the Local Government Act 1972, ‘Information relating to the financial or business affairs of any particular person (including the authority holding that information)’, and in which the public interest in maintaining the exemption outweighed the public interest in disclosing it.

#### **87 Future management of Leisure Centres**

*Councillors Mick Higgins and Jim Marsh left the meeting prior to this item and did not take part in the vote.*

Council considered a confidential report of the Director of Communities which presented members with several options for the future management of leisure centres in South Ribble.

Although acknowledged as an important decision, contrasting opinions on the proposals were expressed by many members. The Leader of the Opposition, Councillor Margaret Smith proposed an amended motion, seconded by Councillor Damian Bretherton, which would deviate from the recommendations and allow a further period of 12 months to fully assess the proposals.

A vote was taken on the amendment and was recorded as follows:

**FOR:** Councillors Bretherton, Campbell, Chisholm, Clark, Coulton, Mary Green, Michael Green, Hesketh, Hughes, Moon, Mort, Mullineaux, Ogilvie, Rainsbury, Margaret Smith, Phil Smith, Suthers, Thurlbourn, Walton, Watson, Wharton-Hardman, and Yates;

**AGAINST:** Councillors Adams, Alty, Bell, Bylinski Gelder, Donoghue, Evans, Flannery, Forrest, Foster, Hancock, Howarth, Jones, Lomax, Martin, Melia, Sharples, Shaw, Titherington, Caleb Tomlinson, Matthew Tomlinson, Trafford, Turner, Watkinson, and Wooldridge.

The Deputy Mayor declared that the amended motion was **lost** (For: 22 Against: 24).

A vote on the substantive motion, proposed by the Leader Councillor Paul Foster and seconded by Deputy Leader Councillor Mick Titherington, was then taken and recorded as follows:

**FOR:** Councillors Adams, Alty, Bell, Bylinski Gelder, Donoghue, Evans, Flannery, Forrest, Foster, Hancock, Howarth, Jones, Lomax, Martin, Melia, Sharples, Shaw, Titherington, Caleb Tomlinson, Matthew Tomlinson, Trafford, Turner, Watkinson, and Wooldridge;

**AGAINST:** Councillors Bretherton, Campbell, Chisholm, Clark, Coulton, Mary Green, Michael Green, Hesketh, Hughes, Moon, Mort, Mullineaux, Ogilvie, Rainsbury, Margaret Smith, Phil Smith, Suthers, Thurlbourn, Walton, Watson, Wharton-Hardman, and Yates.

The Deputy Mayor declared that the substantive motion was **carried** and it was subsequently

RESOLVED: (For: 24 Against: 22)

That the confidential recommendations contained within the report be approved.

## Report of Scrutiny Committee

1. This report summarises the business considered at the meeting of the Scrutiny Committee held on 8 February 2021.

## Budget 2021/22 and Summary Position over the Medium Term

2. The Cabinet Member for Finance, Property and Assets (Councillor Matthew Tomlinson) and the Section 151 Officer (James Thomson) presented the Council's proposed Revenue Budget for 2021/22 and forecasts for the two years thereafter.
3. We were assured that the council was in a healthy and robust financial position.
4. We were pleased to note that approximately 100 responses had been received to the online consultation so far. Other stakeholders, such as Lancashire County Council, would be consulted with once the budget was approved by Cabinet and we were encouraged to publicise the consultation to residents in their wards.
5. We queried why consultation was already underway as the report stated it would not begin until after receiving Cabinet's approval but were advised that the Cabinet Member and officers wanted to facilitate as much consultation with the public as possible.
6. We queried the projected deficit in business rates income and asked if these could be redistributed from other authorities. In response, it was advised that such practice was subject to government approval but that spreading the deficit over a number of years if income fell short would be permitted. However, the Section 151 Officer expressed confidence in the income levels of business rates and did not anticipate any major impact from the projected deficit.
7. The Cabinet Member responded to one of our queries regarding the temporary impacts of COVID-19 and Brexit on income through fees and charges and expressed confidence that these would not be permanent. An increase in subscriptions to the green waste scheme and in income through planning applications was highlighted as assurance.
8. We discussed funding for My Neighbourhood Community Hubs and were advised that each Hub would have financial autonomy as long as spending complied with the council's corporate priorities.
9. In reference to additional funding to invest in the council's priorities, we queried how value-for-money would be ensured and what return was anticipated. In response we were informed that a return on investment in all corporate priorities was expected and that value-for-money would be assessed in terms of both financial outcomes and social value.
10. We welcomed commitment to including members in the development of the Council's transformation programme and was pleased to note that a review of the council's reserves was ongoing and that the community hubs and credit union had been partially funded from reserves.

11. We were interested to hear what financial opportunities the in-house management of leisure services would bring and were informed that it would support the local economy by keeping money in South Ribble. We requested regular progress updates on leisure centre management.
12. We were also reassured that the capital programme was deliverable and realistic.
13. We asked the Cabinet Member if the Scrutiny Committee had been fair in its questioning and how it could be more robust in scrutinising future budgets. In response, the Cabinet Member welcomed our work and questions and expressed belief in the value of the committee's role in the decision-making process.
14. Hopes were expressed that the budget could be considered earlier in the year by the Scrutiny Committee going forwards and we were receptive to this.
15. We thanked the Cabinet Member and the Section 151 Officer for their attendance.

### **Worden Hall Progress Update**

16. The Cabinet Member for Finance, Property and Assets, Councillor Matthew Tomlinson, presented an update on the progress of the Worden Hall project.
17. We were informed that the planning application for the project was awaiting an ecology report and was anticipated to be considered by the Planning Committee in March 2021.
18. Procurement for the enabling works had begun and it was expected that first works would take place on the site by the end of March.
19. We queried whether the Council had officers with the expertise to manage a project of this scale and were advised in response that this was not an expertise area that the council had in-house. A contract for the project management of the project had been awarded to a South Ribble-based company.
20. We were pleased to note the Cabinet Member's assurances that the project was still on schedule to be completed by June 2022.
21. We requested that a site visit be undertaken by the Scrutiny Committee once COVID-19 restrictions were lifted.
22. We agreed that progress updates on the project would now be provided to alternating meetings.
23. We thanked the Cabinet Member for his attendance.

### **Recommendation(s)**

That Council note the report.
