Subject: Emergency Light Replacement at the Civic Centre

Decision: Permission to spend capital funding on the: Emergency Light Replacement at the Civic Centre
We received three quotes regarding the works and after consideration BELEC Electrical LTD was the winner due to cost and value.

Details and Reasoning:

To replace the emergency light system at the Civic Centre, including the conference and business centre and all four floors. This was not planned and is urgent work as system has failed

The system now complies to new BS 5266-1 UK Regulations

The cost of the replacement is £13,500.00

Wider Implications (including Financial, Legal, Equality and Risk):

Funding can be allocated from the corporate buildings/asset management planning budget in the capital programme.
