#### **Budget Monitoring Report 2020-21 Quarter 1**

(includes Quarter 1: 1 April 2020 – 30 June 2020 and July 2020, the fourth month or period of the year)

This notice is to confirm that the Chairman of the Scrutiny Committee was informed on Friday, 21 August 2020 of the Cabinet's intention to consider an item on 'Budget Monitoring Report 2020-21 Quarter 1' at the next meeting of Cabinet on 16 September 2020.

The reason it was felt impracticable to give 28 days' notice on the Cabinet forward plan was due to the fact that it has only just been agreed that this is an opportune time to re-profile the capital programme, which requires Member approval.
