Vehicle Procurement

This notice is to confirm that the Chair of the Scrutiny Committee was informed on Thursday, 3 September 2020 of the Cabinet's intention to consider an item on 'Vehicle Procurement' at the next meeting of Cabinet on 16 September 2020. The reason that the statutory 28 days' notice on the Cabinet forward plan had not been given was due to technical issues with the forward planning system. These technical issues have now been rectified.
