Community Involvement Officer			The post was created with effect from 1 st April 2020 as part of the MTFs. It has been filled in October.
Youth Council Officer (Community Involvement)			The post was created with effect from 1 st April 2020 as part of the MTFs. It has been filled in October.
Engineering Technician			Vacant since 14/09/19. The post was created by upgrading an apprentice role but the person in post then left the organisation. The team is able to function without this role and so there are plans to delete it and create an additional Facilities Management role to bolster that service.

Assistant Director of Housing & Property			Vacant since 22/03/20. Post	Already Shared	To be considered in relation to shared services	Notes
Apprentice (generic role)			There is one budget within the Planning & Property directorate that covers all apprentice roles within the organisation. The post-holders are assigned to various teams across multiple directorates. There is one vacancy, which was also vacant all throughout 2019-20. The post was intended to be used for the Gateway team. It was advertised twice but there were no suitable candidates. Now that all posts within Gateway are filled, this apprentice post is no longer considered necessary and will not be recruited to.
Estates Officer			Vacant since 05/04/20. The saving has been used to fund an additional Surveyor resource. From April to October this was via an agency arrangement but from November onwards a temporary post has been created in the establishment for an 18 month period. The saving from the vacant Estates Officer and Assistant Director posts have funded the new role.
Housing Options Officer			Vacant since 13/07/20. A new starter will begin in October.
Museum Curator			Vacant since 31/05/20. This post is now rolled into an interim operating model with the Museums service for Chorley.
Planning Enforcement Officer			The post became vacant on 31/05/20. More complex work is being picked up via a retained specialist consultant on a case by case basis. There are two enforcement posts, the other being recently filled in September, and the need for both is not certain.
Customer & Digital			
IT Cyber Security Trainee		Y	The post was created with effect from 1 st April 2020 as part of the MTFS. A recruitment process did not attract the calibre of applicant required and therefore it is considered that this post should be reviewed as part of phase 2 shared services.

The service is confident that it can attract a suitable applicant for this post. Recruitment is due to start imminently with the post being filled within before Christmas.
IT Senior Network Support Analyst		Y	Vacant since 14/02/20. The post holder retired, and the post will be kept vacant during 2020/21 to fund the severance costs.
