## Executive Member Decision

<b>Cabinet Member:</b>	Councillor Matthew Tomlinson Cabinet Member for Finance, Property & Assets
<b>Leadership Team Member:</b>	Neil Anderson
<b>Subject:</b>	1-month extension of licence at Moss side Community Centre
<b>Decision:</b>	Permission to extend licence at Moss side by 1 month up until 6 January 2021. The licence however will not be extended beyond that date and the Council will take the running of the community centre back in-house
<b>Details and Reasoning:</b>	The current licence we have with the Community forum to manage Moss side Community centre ends at the end of November 2020. A decision has been taken to take the Community centre back in-house, so we have greater control. However, to give the opportunity for the Community forum to remove their equipment and belongings from the centre we have agreed to extend the Licence by 1 month until 6 January 2021
<b>Wider Implications (including Financial, Legal, Equality and Risk):</b>	The legal implications are that a new short-term licence is been drawn up to extend the licence by 1 month until 6 January 2021. From a financial point of view, we currently pay an annual Mgt fee of £5500. This will be adjusted to reflect that the centre will return to Council Mgt post 6 January 2021

<b>If exempt, give reason(s):</b>	Not Applicable
