Hi Chris,

*Public name redacted*  
[redacted]

Given the recent debacle at the hunters (Sunday night), what measures are going to be in place to try and reign in the landlord's behaviour/ lack of respect to the neighbours.

This was a well supported, family friendly establishment until he embarked down the path of turning it back into the Unwelcome Tavern on reopening 3mths ago. Drunken brawls and class A narcotic dealings are not what the residents deserve.

Although not a premonition, my wife and I highlighted these escalating issues (noise/anti-social behaviours/cars abandoned blocking resident's driveways) at your recent drop-in event at the Spar. We've yet to hear any feedback from yourselves

I believe there were 2 visits by police on Sunday culminating in temp removal of license and 10k fine.

Kind regards,

Damian
