Dear sir

My name is John Graham

I live on Walton park close to the hunters pub. the recent media attention that the pub has had showing it in a negative light following the European football finals and the rumoured closure of our local has promoted me to drop you a line.

Since the current management have had the pub and invested in not only the building but the local community it has been nothing but a joy to visit the hunters with all my family and friends from all over the Walton Ee Dale area. We've all seen the videos posted and find them very disrespectful of our pub the area and all the residents of the area. All the faces in the video neither live or are every in the place other than that 1 afternoon The hunters is a family friendly place where we hope will remain that way for a long time.

Please find it in your remit to support our local there staff and our community focal point.

Yours sincerely

John Graham
