#### Background to the report

- 6. The Strategy and Reform portfolio relates to the following council services:
  - a. Communications and Visitor Economy
  - b. Governance (including Democratic Services, Legal and Audit and Risk)
  - c. Transformation and Partnerships
- 7. This report sets out an update on the corporate strategy key projects, business plan actions and key performance indicators for the portfolio. It also provides an update about the shared services relationship with Chorley Council.

#### **Corporate Strategy projects**

8. The table below includes an update of the relevant key projects that from the Corporate Strategy approved in September 2020.

| Key project  | Status<br>December 2021 | Commentary   |
|--|-------------------------|--|
| Deliver the Annual<br>Governance Statement<br>Action Plan            | Complete                | The Annual Governance Statement action<br>plan was successfully completed, with all<br>the actions successfully completed. This<br>was an important element in providing<br>assurance to residents, partners and the<br>external auditors that the council has<br>established effective internal controls and<br>an effective governance framework.  |
| Transform the way the council operates                               | Green                   | This project was focussed on phase one<br>and phase two of shared services. It<br>encompasses the services within the Policy<br>and Governance directorate, ICT and<br>Customer Services and the senior<br>management team. The project has<br>delivered significant savings and benefits to<br>the council, building capacity and resilience.   |
| Work with partners to<br>design and deliver better<br>public service | Complete                | The project completed with the creation of<br>the South Ribble and Chorley Partnership.<br>The combined partnership was supported<br>by partners, with support also given to a<br>new strategy and action plan that was<br>collectively developed and agreed.<br>An economic summit was held in<br>November, bringing together key partners to<br>discuss how to drive inclusive economic<br>growth across the boroughs. |
| Bring Worden Hall back into use                                      | Green                   | Refurbishment works are underway to the<br>Worden Hall buildings. Completed<br>refurbishment works to the buildings<br>include, the outbuilding and the old<br>conservatory have been demolished under   |

| the supervision of an archaeologist; the infill<br>of the old basement has also been<br>completed to allow for the foundations for<br>the new lift shaft and toilet block to be |
|---|
| installed.  |

9. A refreshed Corporate Strategy was approved by council in November 2021. The portfolio is responsible for the delivery of the following projects in the coming 12 months.

| Key project   | Overview   |
|---|--|
| Deliver the peer challenge action<br>plan to ensure continued<br>improvement                                    | An action plan has been produced in response to the recommendations made by the LGA peer team who undertook a review of the council earlier in 2021. The action plan will ensure that the council continues to improve and to demonstrate that to key stakeholders.  |
| Deliver the shared services<br>development plan to build a more<br>resilient organisation                       | During the reviews undertaken as part of phase one<br>and phase two of shared services, a series of<br>development plans have been produced to guide<br>further change and ensure that shared services<br>function effectively. This project will ensure those<br>development plans are delivered effectively. |
| Implement more efficient and<br>effective working practices at the<br>council through the Workplace<br>Strategy | The workplace strategy was developed and agreed<br>earlier in the year. It seeks to ensure that the council<br>has workspaces that are fit for purpose, make best<br>use of technology and that the way that officers work<br>deliver the best services to our residents.                                      |
| Deliver more joined up public<br>services through working with our<br>partners                                  | The project in last year's Corporate Strategy<br>established a new partnership with a strategy and<br>action plan. This project will work to deliver that<br>strategy and action plan.   |
| Deliver Music in the Park 2022 and Queen's Jubilee Celebrations   | This series of major events around the Queen's<br>Jubilee celebrations will showcase South Ribble as<br>well as providing the borough's communities the<br>opportunity to come together and celebrate.   |
| Develop the visitor offer in South Ribble.  | This project will create a tourism strategy for South<br>Ribble and promote the borough's visitor economy as<br>it continues to recover from the pandemic.   |
| Deliver the new Worden Hall complex as a flagship venue   | The restoration works to the complex will complete in 2022. This project will focus on the plans for opening the new facilities and ensuring that they are well used and encourage visitors to Worden.   |

## **Communications and Visitor Economy**

- 10. The council's Communications and Visitor Economy service provides internal and external communications; branding and graphic design; events; and, museums and tourism.
- 11. The service has in place a business plan to set out the key actions it will deliver of the year. The table below provides an update on those key actions.

| Key actions Update |
|--------------------|
|--------------------|

| Deliver a plan for the operation of Worden Hall                                    | The new team to take on the operation of Worden Hall has<br>been created and we are now recruiting to the remaining<br>posts in that structure.<br>Work on a detailed business plan is underway with a draft<br>for the first year of operation due in January.   |
|--|---|
| Deliver the 2021 events programme  | The lifting of restrictions has allowed us to successfully<br>deliver the A Taste of Leyland and Christmas Lights Switch<br>On events. The work on this year's events is complete with<br>planning and preparation for the 2022 events well<br>underway.  |
| Delivery of the new external communications strategy                               | Work has progressed on all elements of this –<br>communications planning, a review of internal<br>communications and how we do digital communications<br>better. Some elements, such as creating a new internal<br>communications strategy, have not progressed as quickly<br>as we would have liked but plans are in place to ensure all<br>actions in the strategy are delivered early in 2022. |
| Develop a conservation<br>plan for South Ribble<br>Museum and Exhibition<br>Centre | A company has been appointed to support us producing<br>this plan that will outline the condition of the building and a<br>plan to ensure it is fit for purpose going forward. The results<br>are due in early 2022.  |

12. The team also monitors performance indicators to assess service performance. The latest position is set out below for those indicators that are reported on a monthly or quarterly basis.
