Corporate priorities

8. The report relates to the following corporate priorities:

An exemplary council	Thriving communities
A fair local economy that works for everyone	Good homes, green spaces, healthy places

Background to the report

9. The Accounts and Audit Regulations came into force on the 1st April 2015 and have subsequently been amended, most recently by the Accounts and Audit (Amendment) Regulations 2022, which became effective from 22nd July 2022. These regulations set the statutory timetable for production, approval and audit of the Statement of Accounts.
10. The responsible financial officer must sign and date the Draft Statement of Accounts and certify that it presents a true and fair view of the financial position of the Authority at the year end, and of the income and expenditure for the year.
11. The responsible financial officer must then commence the period for the 'exercise of public rights' and notify the local auditor of the date on which that period commenced; for the 2021/22 statements the timescale for doing so was 31st July 2022.
12. There is no requirement for Members to approve the Statement of Accounts at this stage in the process.
13. The responsible financial officer must, on behalf of the authority, publish (which must include publication on the authority's website) the draft Statement of Accounts, along with the Annual Governance Statement and a Narrative Report and a declaration, signed by that officer, to the effect that the status of the statement of accounts is unaudited and that the approved Statement of Accounts, as published, may be subject to change.
14. The regulations also state that the period for the exercise of public rights is deemed to commence on the day following the day on which all of these obligations have been fulfilled. The responsible finance officer must also ensure that commencement of the period for the exercise of public rights takes place on such a day that it includes, for the 2021/22 statements, the first ten working days of August 2022 and continues for a single period of 30 working days.
15. Once the full draft Statement of Accounts have been published, and the public inspection period has begun, then the audit of the accounts by the council's external auditors, Grant Thornton, can commence.
16. Once the audit has been completed, the Regulations specify that the responsible financial officer must reconfirm on behalf of the authority that they are satisfied that the statement of accounts present a true and fair view of the financial position of the authority at the year end, and the income and expenditure for the year. The council is then required to:
 - consider, either by way of a committee, or by the members meeting as a whole, the statement of accounts;
 - approve the statement of accounts by a resolution of that committee or meeting;

- ensure that the statement of accounts is signed and dated by the person presiding at the committee or meeting at which that approval is given.
17. South Ribble Borough Council delegates the responsibility for the approval of the accounts to the Governance Committee.
 18. For 2021/22, the date for completion of the audit and final approval and publication of the Statement has been determined in the Regulations as 30 November 2022.
 19. Once approved the council must, by no later than 30 November, publish:
 - the statement of accounts together with any certificate or opinion, entered by the local auditor;
 - the annual governance statement; and
 - the narrative statement.
 20. Publication of the final documents must include publication on the council's website. Approval of the Statement of Accounts 2021/22
 21. The draft Statement of Accounts 2021/22 were signed by the Director of Finance on 4 August 2022 and published on the Council's website, together with details of public inspection rights. Whilst every effort was made, this was slightly beyond the deadline set by government due to resources available within the Finance Team. Grant Thornton, the external auditors, were kept fully informed of the position, and on 4 August the accounts were presented to them for audit.
 22. The Auditor's 'Audit Findings Report' is presented as a separate report on this agenda. This sets out adjusted misstatements, unadjusted misstatements, and misclassification and disclosure changes in the current version of the Statement of Accounts. The audit of the accounts has not yet been completed in full. A few matters are still under consideration and so there is a possibility that further changes to the Statement of Accounts may be required. The details of the work yet to be undertaken is stated on page 3 of their report.
 23. The Accounts and Audit Regulations 2015, as amended by The Accounts and Audit (Amendment) Regulations 2022, require that the statement should be approved by a meeting of members by 30 November 2022, or should that not prove possible, 'as soon as is reasonably practicable after the receipt of any report from the auditor which contains the auditor's final findings from the audit which is issued before the conclusion of the audit'.
 24. The full statement for 2021/22 is attached as Appendix A for consideration and approval.
 25. Following consideration and approval by this Committee, the Chair is required to sign and date the Statement, which should also be re-certified by the Director of Finance, as soon as is practicable. The Statement of Accounts will then be published on the South Ribble Council web site; www.southribble.gov.uk.
 26. The Director of Finance and the Chair of Governance Committee should also sign the Letter of Representation which is attached at Appendix B.
 27. As the audit has not yet been fully completed, it is recommended that the Director of Finance, in consultation with the Chair of Governance Committee, should approve any further non-material amendments to the Statement of Accounts, if necessary, before the accounts are signed and dated. If the Director of Finance is of the opinion that the

amendments are material to the financial position of the council, Governance Committee should be reconvened to approve the new Statement of Accounts.
