

Committee Update Sheet – 12th January 2023

Item 6 – 07/2021/01203/HOH 4 Parklands Avenue, Penwortham

The following late representation has been made since the publication of the Planning Committee agenda. It is a copy of a letter received via email from a neighbour:

Dear Councillor

Re Planning Application 4 Parklands Close Penwortham

I am objection to the above Planning Application on the grounds of:

Significant loss of light, bearing on mind how the sun crosses my property. In addition, such a large extension would significantly hem in my property making me feel enclosed. I believe these points to be material grounds.

I would argue the extension is too dominant and overbearing. The extension potentially increases the footprint of the existing house by one third.

I believe the above points are genuine and legitimate points for my objection.

Thank you for your time
