Recommendations

Quarter Three Performance Monitoring Report 2022-23

The Budget Scrutiny and Performance Panel:

1. thanks the Leader and Director for attending and answering questions;
2. future reports include the impact of Community Hub projects on our local communities;
3. welcomes the commitment to the Discover South Ribble brand and events celebrating all communities and areas in the Borough;
4. looks forward to the link between this council and the Youth Council being strengthened and embedded further in the future;
5. is grateful for the offer to facilitate a meeting and future partnership working between the credit union and Community Hubs;
6. appreciates the commitment to present the homelessness action plan to a future Scrutiny meeting and commends officers on their work with this important area;
7. expresses concern at the call answering time performance indicator and welcomes the assurance that this is being addressed;
8. an update on the review of health and safety and near misses be provided to Scrutiny Members once complete; and
9. the progress being made on the take up of self-service channels be closely monitored.
