This paper provides the Governance Committee with a report on progress in delivering our responsibilities as your external auditors.

The paper also includes:

- a summary of emerging national issues and developments that may be relevant to you as a local authority; and
- includes a number of challenge questions in respect of these emerging issues which the Committee may wish to consider (these are a tool to use, if helpful, rather than formal questions requiring responses for audit purposes)

Members of the Governance Committee can find further useful material on our website, where we have a section dedicated to our work in the public sector. Here you can download copies of our publications <https://www.grantthornton.co.uk/en/services/public-sector-services/>

If you would like further information on any items in this briefing, or would like to register with Grant Thornton to receive regular email updates on issues that are of interest to you, please contact either your Engagement Lead or Engagement Manager.

Progress at July 2023

Financial Statements Audit

We completed our initial planning for the 2022/23 audit in March and April 2023. We expect to receive your draft financial statements in August 2023.

In May, we have issued our detailed audit plan, setting out our proposed approach to the audit of the Authority's 2022/23 financial statements.

We will report our work in the Audit Findings Report and aim to give our opinion on the Statement of Accounts by 30 November 2023.

The Accounts and Audit Regulations 2015 were amended by SI 2021 No. 263. The Department for Levelling Up, Housing and Communities (DLUHC) previously introduced secondary legislation to extend the deadline for publishing audited local authority accounts to 30 November 2022 for the 2021/22 accounts.

This was enacted by The Accounts and Audit (Amendment) Regulations 2022 (SI 2022 No. 708) that came into force on 22 July 2022. The deadline for publishing audited local authority accounts for 2021/22 was extended to 30 November 2022 and thereafter changed to 30 September for years up to 2027/28.

Officers have advised us that the draft financial statements are likely to be available for audit in August. The deadline for the preparation of draft accounts for 22/23 is the end of May 2023 however the ongoing impact of the pandemic, the complexity of accounting requirements and capacity in the finance team mean that we have agreed with officers to commence the audit on a later timescale. This means we will not complete the audit by the target date of the end of September but will work with officers to complete the audit towards the end of November if possible.

Value for Money

The new Code of Audit Practice (the "Code") came into force on 1 April 2020 for audit years 2020/21 and onwards. The most significant change under the new Code was the introduction of an Auditor's Annual Report, containing a commentary on arrangements to secure value for money and any associated recommendations, if required.

The new approach is more complex, more involved and is planned to make more impact.

Under the 2020 Code of Audit Practice, for relevant authorities other than local NHS bodies auditors are required to issue our Auditor's Annual Report no later than 30 September or, where this is not possible, issue an audit letter setting out the reasons for delay.

As a result of the ongoing pandemic, and the impact it has had on both preparers and auditors of accounts to complete their work as quickly as would normally be expected, the National Audit Office has updated its guidance to auditors to allow us to postpone completion of our work on arrangements to secure value for money and focus our resources firstly on the delivery of our opinions on the financial statements. This is intended to help ensure as many as possible could be issued in line with national timetables and legislation. The extended deadline for the issue of the Auditor's Annual Report is now no more than three months after the date of the opinion on the financial statements. Our report has not met that deadline because of issues identified by Internal Audit which we have needed to complete additional work on.

We have issued our Auditor's Annual Report 2021/22 in July 2023.

Other areas

Certification of claims and returns

We certify the Authority's annual Housing Benefit Subsidy claim in accordance with procedures agreed with the Department for Work and Pensions (DWP). The certification work for the 2021/22 claim began in January. DWP extended the deadline for reporting the findings of this work to 31 January 2023. There have been a number of errors identified meaning additional work has been required. We have liaised with DWP and we expect to complete our work and report to DWP by 31 July 2023.

Meetings

We met with Finance Officers as part of our quarterly liaison meetings and continue to be in discussions with finance staff regarding emerging developments and to ensure the audit process is smooth and effective. We have also met with your Chief Executive to obtain and update on emerging issues and challenges for the Council.

We have also provided training to your finance team with a view to helping the audit progress smoothly this year. This included detail around the standard of audit evidence required. We continue to liaise with finance officers to try to ensure an efficient audit for 2022/23.

Events

We provide a range of workshops, along with network events for members and publications to support the Authority. Your officers were invited to our Accounts Workshop in January and February 2023, where we highlighted financial reporting requirements for local authority accounts and gave insight into elements of the audit approach.

Further details of the publications that may be of interest to the Authority are set out in our Sector Update section of this report.
