179 Appeal Decisions

The Planning Manager provided a brief update on a number of appeal decisions received since the last meeting. The Council had received a decision regarding the

two Pickering Farm appeals that had been called in by the Secretary of State following a public inquiry in 2022. On balance, the Secretary of State had determined that the benefits of the developments outweighed concerns raised, notably around the impact on the highway network and subsequently upheld the appeals.

In addition, another appeal decision had been received regarding an application for up to seven dwellings at Bridge End, Church Lane, Whitestake. The Inspector concluded that the development would conflict with the development plan, found no material considerations that would outweigh that decision and dismissed the appeal.
