Dear Sir

Re; Proposed Conditions relating to Naaz Indian Retsaraunt.

Further to our meeting on the 17th July 2018 at the Council Offices on West Paddock I write to follow up our discussion.

You indicated that either you or your brother, Dilshad would be stepping back in to take control of the restaurant and you were keen to return it back to its former glory. Shortly after the review documentation was served you stated that the tenant Enyaet Ali walked away from the business and it has been closed ever since.

You also recognised that things were not as they should be and you were agreeing some sort of improvement plan. At this time you also mentioned you needed the list of work that was outstanding from a food safety perspective.

You asked what the likely outcome of the review would be and due to your willingness to get to grips with the issues and the fact the premises would be shut until you felt it was ready to open I saw no need to ask the Committee to consider a suspension or indeed a revocation. The final decision will be down to the Licensing Committee but if parties can agree, it provides some assistance to the Committee on arriving at a satisfactory outcome.

My proposal was to look at some improved conditions, having looked at the existing licence many of the conditions are outdated and no longer relevant, I have sought to address the root cause of the problems which were essentially poor quality staff, no management accountability and an opaque structure of responsibility. I have attached 2 documents, the first is the existing conditions on the licence, and the 2nd is the proposed conditions.

The hearing has been arranged for 2pm on the 20th August 2018 and further documentation will be sent to you in the coming weeks.

Yours Faithfully.

Mark Marshall
