Subject: Lime Bar Opening Hours

Hi,

I'm writing to you about the new opening hours of Lime Bar in Penwortham which I'm against because it's already noisy especially at the weekends cause they are shouting and swearing at top of their voices and you can't sleep cause of it. Didn't want the Lime Bar in the first place cause of that reason also it brings all sorts of people in which makes Penwortham like the town centre of Preston. Also no doubt the owner of Lime Bar will want to add more hours on as time goes on which the community won't be happy about! As many of us aren't happy with Lime Bar at all!

Thanks J Hall
