Dear Sir or Madam

Applicant Little Dog Holding Ltd for FULL Variation of a Premises Licence
Certificate for Lime Bar and Loung, 42 Liverpool Road, Penwortham PR1 0DQ

We wish to object to the extended hours being neighbours of the above bar.

- Since the bar has been opened glass bottles and glasses have appeared in the grass area in front of our property (next to the footpath), on our wall and in the garden.
- On two occasions I have witnessed men urinating, once in the drive of number 2 and last night in the grass area at the front of number 4.
- Whilst other people are getting into cars, laughing and banging car doors we are trying to get to sleep.
- Parking is a problem and disregard for yellow lines- see photos attached.
- Crime has increased burglaries in our street, armed robbery at the Lime bar.

Appendix I

The Lime Bar is open long enough at the moment, considering opening times and closing times, the owners were happy with those conditions not long ago.

The Lime Bar is not a massive building and due to its decoration (hard surfaces) sound would likely travel. It is a busy drinking establishment and when walking past noise can be heard.

We have been informed that also there is an application to add a play area to the garden on Queensway. An application was made before for using this garden area for seating but was rejected, at the planning meeting, on the grounds that this would be detrimental to residents, nothing has changed.

Yours faithfully

Mr and Mrs Gildert
