I am Police Constable 2388 Stewart of the Lancashire Constabulary. I am currently employed as Licensing Officer in Preston Licensing Department.

At 12:00 on Thursday 15th April 2018 I was on uniformed duties working with Licensing Officer Beverley Warburton and a 16 year old male volunteer.

At 12:55 on the same date I observed the test purchaser entering Harleys Convenience Store, 251 Station Rd, Bamberbridge. LO Warburton followed closely behind. Within a couple of minutes, the volunteer walked out of the shop with 4 cans of Kronenburg lager closely followed by LO Warburton.

The volunteer told me that the female seller had not asked him for ID or his age. He described the female seller as being a white female in her late forties of large build and stated she was the only person other than himself and Beverley in the shop.

Both myself and LO Warburton then entered the shop and approached the counter where I saw a female as described. At the time there were no customers in the shop and only one female working.

I approached the female and introduced myself. I informed her of the sale and she gave her name as Jacquelyn BRAMLEY. BRAMLEY told me that it was her shop and that she was the Designated Premise Supervisor.

Premises Number: PREMA0284

On 01 May 2018 at 11:35 hours Licensing Officers carried out an inspection to establish whether the licensable activities at the above Premises were carried out in accordance with the Premises Licence issued.

The purpose of the inspection was also to determine if conditions set out in your Premises Licence where being strictly adhered to.

During the inspection the Officers recorded the following information:

1. The Premises Licence Summary was on display in accordance with Sections 57(2) & (3) of the Licensing Act 2003. Part of the Licence conditions require you to have staff training records available relating to the responsible sale of alcohol, the condition on your Licence states;

   Staff training shall occur at six monthly intervals and shall be recorded and updated accordingly. It shall cover street drinking, ID procedure, proxy sales, licensing hours and other relevant matters regarding the Licensing Act 2003 and the licensing objectives.

As promised I enclose an example of some staff training to demonstrate that you have a good system and would comply with the above conditions. During the visit we made a recommendation the refusal log be documented in a dated dairy.

We thank you for your co-operation in the inspection and should you wish to discuss any issues with a Licensing Officer please contact us by email at licensing@southribble.gov.uk or by telephone on 01772 421491.

I am Mark Marshall and I am currently employed as the Head of Licensing for South Ribble Borough Council. As such I am duly authorised to enforce the provisons of the Licensing Act 2003.

On the evening of the 25th October 2018 I took part in a joint test purchase operation with Lancashire Police.

At approxiximately 5pm PCSO 7574 Jen Coll came to the Council Offices with a 14 year old female volunteer, we sat in a meeting room where I was in the company of Justin Abbot and Chris Ward, both Licensing officers employed by the Authority.

I breifed the volunteer regarding the expected conduct and detailed what safety arrangemnets would be in place for her which was for her to be closely monitored by staff engaged on the operation.

I took 2 photogarphs of the volunteer and was told that her height was 5ft 3, I exhihit the 2 photograps taken during the briefing as MM01 and MM02.

We left the council building at approximately 17.45 hrs with the intention of working through a pre arranged list of premises which I exhibit as MM03.

We arrived at the first premises at 17.50hrs, this premises passed the test so we continued to work though the list.

At 19.17hrs the volunteer entered Harleys Convenience Store, 251 Station Road, Bamber Bridge in an attempt to purchase alcohol. Harleys Convience Store is licensed by South Ribble Borough Council to sell alcohol by retail, a copy of the premises licence is exhibited as MM04.

At 19.22hrs the volunteer left the premises after being sold 4 cans of Fosters larger for which she paid the seller £5.50.

We continued to conduct further testing of premises on the list that were located nearby then returned to Harley at 19.55hrs.

I entered the premises in the company with PCSO Coll and Chris Ward where there was a young male in a dark green padded jacket behind the countre. I identified myself and explain the reason for the visit detailing that alcohol had been sold at 19.17hrs to a 14 year old female, I then showed the male behind the countre a photograph of the female volunteer that was stored on my phone.

The male recalled the girl so I immediately cautioned him, without any questions being put to the male he said " I HOLD MY HANDS UP, IM NOT GOING TO DISAGREE, I WAS RUSHING. I WAS VERY BUSY I SHOULD HAVE ASKED HER . I noted his replies contempenaranously in my pocket note book and gave the seller an opportunity to read and sign my notes. The seller signed my notes a copy of which I exhibit as MM05. I then took the sellers details as Christopher Steven Scott13/04/92 of 32 Bolton Road , Chorley.

We then sought to establish if there was any training records in place for staff and were shown a file where a blank training document with Chris's name was found, PCSO Coll obtained some photographs of this blank document. In addition a refusal register was found behind the premises

I was concerned to see the inadequacy of the refusal s register especially given that three of the items are not technically age restricted. I took some photograps of the refusal register which I exhibit as CW02

Dear Madam

Re; Underage Sale of Alcohol, 25th October 2018 .

You may be aware that on the evening of the 25th October your premises, Harleys Convenience Store, 251 Station Road, Bamber Bridge failed a test purchase. The operation was conducted by the police and the local authority who used a 14 year old female volunteer. 10 other premises were tested on the evening but only Harleys sold.

The volunteer purchased 4 cans of Fosters, the seller was Chris Scott. At 19.55hrs we returned to the store to notify the seller of the sale and to examine the training records. No records could be produced to demonstrate that Chris had been adequately trained.

You were advised about your obligation to provide training in letter sent on the 7th May 2018 where an example of proof of age training was enclosed.

Section 146 (1) of the Licensing Act 2003 creates an offence for any person who sells alcohol to an underage person and Section 146 (6) states;

Where a person (the accused) is charged with an offence under this section by reason of the act or default of some other person, it is a defence that the accused exercised all due diligence to avoid committing it.

As the Premises Licence Holder you will ultimately profit from both lawful and unlawful sales of alcohol so in order to demonstrate that you exercised all due diligence in relation to avoiding unlawful sales I write to invite you to an interview.

I am required to speak with you formally in connection with this matter and invite you to an interview which will take place at 1.00pm on the 6th November 2018 at the Civic Centre offices on West Paddock in Leyland.

The interview is voluntary but will be an important opportunity for you to offer your account in relation to the allegations, the interview will also be tape recorded and carried out in accordance with the Police and Criminal evidence Act 1984. You have the right to be accompanied by a solicitor during the interview.

On arrival please ask for Mark Marshall at the reception and I will come and meet you.

Subject: Harley's - Station Road Bamber Bridge

Hello,

Just for your information, I went into Harley's last night with Trading Standards it was on their list to visit. Chris wasn't in the premise. Kimberley Grime 31/01/94 was working, she said she started around 4weeks ago. She said she had done her training, however no training documents for her was found (I have attached all the training records there were there).
There was no authority to sell in place for Kimberley she didn't know what it was, I have attached a recent copy of the authority to sell.
I also got the till receipt from last night (I have attached it) there were sales for £140, £60 and another £60 all at 16:11. Doesn't seem a big enough premise for that kind of money to go through at that time. There was a tick list near the stockroom door

I also took a picture of the till rota.

Many thanks,
