How will we achieve the Joint Procurement Priorities?

Procurement that shows strong Leadership, engages all stakeholders, delivering outcomes and complying with relevant rules both internal and external

Procurement that exploits the benefits of Technology, is market & commercially aware, harnesses innovation, is effectively managed and delivers sustained competitiveness & value for money

Procurement that is inclusive, sustainable and socially responsible

We will:

Recognise the strategic importance of procurement, with councillors & senior managers effectively engaged with commercial and procurement issues.

Work as a single team across the Councils and with external partners, designing and implementing solutions in high value/high risk projects.

Deliver an efficient and effective joint procurement service which maximises efficiency for collaborative, compliant and best practice procurement

Work collaboratively internally and externally, taking advantage of framework agreements and collaborative opportunities where they offer best value, delivering efficiencies, timely solutions and reducing duplication.

Effectively engage with procurement networks, keeping abreast of policy development, procurement best practice, frameworks, collaborative and any other procurement opportunities available.

Maintain and publish procurement guidance documents.

Develop a procurement training programme on the Councils' e-learning platform (by December 2019)

Maintain 100% professionally qualified procurement employees as a total percentage of procurement employees.

We will:

Use appropriate e-procurement solutions in our procurement processes.

Contribute to the regional review / procurement of the e-procurement portal.

Develop, implement and maintain a simple contract management system / contracts register providing a central repository for all contracts with email reminders at key review stages (SRBC by June 2019, CBC by April 2020)

Develop a robust management environment to ensure effective contracts and relationship management, minimising risk, managing delivery of outcomes and performance and ensuring competitiveness and effective control of cost over the life of the contract.

Engage with strategic suppliers to improve performance, reduce cost, mitigate risk and harness innovation

Consider revenue generation opportunities with high value/ high profile acquisitions / services examined for creating commercial opportunities.

Effectively manage strategic risk.

Contribute to the achievement of the Councils' targets for efficiencies contributing to financial sustainability.

We will:

Remove barriers and improve access to our procurement opportunities for SME and VCFS suppliers

Minimise any environmental impact of the products and services we buy where possible through innovative value for money solutions.

Gain maximum value from procurement through consideration and inclusion of economic, environmental and social value criteria in contracts where appropriate, balancing local needs, environmental and social value factors with delivering value for money.

Continue to deliver PI targets for payments

Comply with the Social Value Act

Develop and Implement a Social Value Policy by April 2020

Develop a reporting mechanism for local and/or regional spend by April 2019, and April 2020 for key contracts sub contracted spend

Record and measure, the number of procurement opportunities published through the Chest and seek to increase the number of bid(s) from local supplier(s).

Adopt and comply with the Tyred Campaign, ensuring tyres on our public vehicles are not older than 10 yrs.
