Constitution – Article 17 – Key Decisions – General Exceptions

This notice is to confirm that the Chairman of the Scrutiny Committee was informed on Friday, 8 March 2019 of the Cabinet's intention to consider an item on Worden Hall Market Investment Opportunity Feedback at the next meeting of Cabinet on 20 March 2019.

The reason it was felt impracticable to give 28 days' notice on the Cabinet forward plan was due to the recent progress made on Worden Hall necessitating approval to enter into negotiations.
